

*Dear Parents/Carers*

*Riverbrae are creating an art/photography project called 'Outside from the Inside'.*

*At this difficult time, we are all missing each other very much, it is very hard to spend so much time away from our friends however many of us have discovered we are artists, bakers, explorers even scientists.*

*What have you discovered about yourself? Perhaps it's artwork you are proud of, cakes you have baked, scientific discoveries you have made or simply your favourite toy?*

*We want to share your wonderful, talents and achievements. In celebration of international arts week (25th - 31st May) Riverbrae are creating an art/photography project called 'Outside from the Inside'.*

*If you would like to participate in our project 'Outside from the Inside' we are asking you to submit photographs using the frame provided (as shown in video) these will then be brought together in the form of a collage. Lets stay creative together !*

*Post your photograph in Google classrooms for Friday 22 May 2020.*
