Dear Parent/Carers

As you know the Scot Government has placed Renfrewshire in Level 3 of their protection system – so that means some changes to the safety measures in schools. We've listed these for you below:

- we can now resume indoor PE, arrangements to follow;
- staff will wear a face covering wherever they cannot maintain a two-metre distance from pupils (this doesn't apply to P1 and P2);
- school staff will wear face coverings in all communal areas of the school and will explain to our pupils why this is important;
- parents/carers/visitors must wear a face covering if entering school building/playground and at pick-up/drop-off;
- good airflow will help stop the spread of the virus. We will keep classrooms safe, warm and comfortable, but parents and carers should provide warm clothing, such as a jumper or fleece, in colder weather;

Yours sincerely

Michelle Welsh
