29th March 2021

Dear Parent/Guardian

Can I thank you once again for your ongoing support during this very challenging time.

It has been lovely to welcome back all our Nursery and Primary children over the last few weeks and I am so pleased at how well they have all settled.

Our Secondary pupils have also returned as part of our blended learning approach and again I think the pupils have been glad to have some routine back in place with the school.

Our school will close at 2:30pm on Thursday 1st April for our Easter Holidays. We are hopeful that all our pupils will be returning to school fulltime on Monday 19th April based on Scottish Government advice. Please look out for further information from Renfrewshire Council during the Easter break.

I wish you all a Happy Easter break and look forward to having all our children and young people back in April.

Yours sincerely

Michelle Welsh
Head Teacher
