Dear Parents/Guardians

As we continue to navigate our way through the ever-changing picture of COVID, I want to thank you for your continued support.

It has been so good to welcome back all our children and young people and I am very proud at how well they have settled back into school.

We recently interviewed for the Primary DHT and the Complex DHT. I am delighted to let you know that Jennifer Gray and Phoebe Green were both successful at interview. We wish them every success in their posts.

We continue to follow COVID guidelines within the school, however as we move into level 3, we are preparing to give our pupils more opportunities both within the school and out in the community. We will keep you informed of any changes that we make.

It has been a tough year, but I hope we are beginning to see some light at the end of the tunnel.

Yours sincerely

Michelle Welsh
