Home/School/Parish Links

October is the month of the Holy Rosary, and during this month our Pope Francis Faith Award pupils (P6 and P7) will lead us in praying the Rosary each Tuesday, Wednesday, Thursday and Friday in October. Please do come along and join us in the upper playground from 8.45am to 9.00am.

First Wednesday Mass

You may recall that it is the tradition of our school to attend First Wednesday Mass in St.

Bernadette's Parish. Although restrictions in society have eased a little, within schools we are still unable to have large gatherings such as assemblies. Therefore, attending Mass as a whole school community would not be appropriate at this time.

We have agreed with Father David that for First Wednesday Mass in November, P7 class will attend Mass in church. In December, our P4 class will attend Mass in church. All other classes will attend Mass online in their classrooms.

Active Schools Pupil Activity Survey

This year, Active Schools, in partnership with all local schools, would like to undertake a survey to find out the different activities our children take part in. This information is helpful because it helps identify what is going well, and where Active Schools can work to improve provision to help our children be as active and involved in wellbeing activities as possible.

We would really like your help to understand the different activities our children take part in, so that we can work with Active Schools to build on the interests of our children and to provide further opportunities wherever this is possible.

Below is a QR code link to the Pupil Activity
Survey. Please do scan and complete using your
smartphone or tablet. Alternatively, you can

To celebrate Hallowe'en, our Parent Council would always try to provide our children with a Hallowe'en event where costumes could be worn. During the school day, although children would not normally wear Hallowe'en costumes to school, Hallowe'en would be celebrated through curricular learning activities

This year, again with current restrictions in place for schools, it will not be possible for our Parent Council to host an after-school Hallowe'en event. We recognise that this will be disappointing for our children, and may mean that they don't get an opportunity to dress up or have some Hallowe'en fun.

To avoid this, we would like to invite our children (and staff!) to come to school in Hallowe'en costumes on Friday 29th
October 2021. There is, of course, no requirement to do so – it is still perfectly fine to wear school uniform or own clothes on this day! As always, we would encourage you

NOT to buy expensive costumes – homemade is always the best!

We have been informed that, due to current challenges facing the food industry at present, some items or meal choices for School Meals may be unavailable at short notice. Although every effort will be made to provide meals as advertised, there may be occasions where items or meals become unavailable.

Please accept our apologies for this and be assured that where items or meals are not available, an appropriate alternative will be provided to our children.

Pupil Voice Groups - Update

Our Junior Road Safety Officer (JRSO) Group have been busy this month helping our children to bike (or scoot) to school during Bike to School Awareness Week. They successfully planned and organized a poster competition in the school, and this week (4th October) they will award prizes to the winners of the best class poster, and overall poster winner for P1-P4, and P5-P7 pupils.

The How Good is OUR School Group (Pupil council) have helped to re-fresh our House Teams, with our new House Team names changing from countries to Scottish Saints. Pupils will be informed this week (4 October) of their new House Team name:

St. Mirin
St. Columba
St. Mungo
St. Ninian
St. Andrew
St. Margaret of Scotland
St. John Ogilvie
St. Mun

In October, our Gardening Group will meet with Mr James Richardson from St. Bernadette's Parish to help plant spring bulbs in our garden areas.

Ms Robertson, our Literacy Champion, has submitted our Reading Schools Award Action Plan which is the first step towards us achieving this important award.

Once again, we must highlight the issue of car parking.

We continue to receive complaints from other parents and our local community regarding inconsiderate and dangerous parking.

Please do make use of St. Bernadette's Church Car Park, or nearby Mains Drive shopping area car park.

Can we politely, but firmly, request that you do not park on the turning circle area, as this causes congestion.

Please do also avoid parking on or near to the junction of our school drive way and the main road, as again this causes congestion and also makes it difficult to see oncoming vehicles.

We have, once again, requested the support of our Community Police Officer to help us ensure the safety of pupils, staff and families.

Please do take the time to park safely and considerately. Your continued help and cooperation in this matter is greatly appreciated.

MACMILLAN CANCER SUPPORT

We recently held a "Wear Something Green for MacMillan", as we were unable to host our annual MacMillan Coffee Morning.

Thanks to your generosity, £65 was raised for MacMillan.

If you still wish to contribute to this fundraising event, you can still do so through your Parent Pay account.
