Primary 7 Transitions

Dear Parent / Carer,

Our transition programme is well underway, and I am delighted to write to provide an update with upcoming events. It was pleasing to see so many parents and carers attend our Virtual Information Evening in December last year; since then, Miss Parker (Depute Head Teacher) and Ms. Waddell (Principal Teacher of Inclusive Support) have been meeting with colleagues across all our cluster schools to gather information required for a smooth transition.

I am looking forward to visiting each Primary School and meeting with the young people in the next few months. Before this, I would encourage you to visit our dedicated transitions page within our school website. Our website has lots of valuable information and video links which you may find useful. This can be accessed here:

I am pleased to report that we intend to have full induction visits within the school this year. These are scheduled to take place on 9th and 10th June. Further information regarding this as well as the other transition activities planned will be distributed in the coming months.

Within Trinity High School we are very proud of our high standards of school uniform. I would ask for your continued support with this and I have attached a leaflet outlining our uniform policy and how to source this. This year we would like to issue every S1 Pupil with a Trinity High School PE top, free of charge, as a way of welcoming them into our school community. Please complete the form in the link below to order a free PE top. We will issue these as the beginning of the term.

As I stated previously, I am really excited about meeting next session's S1 Pupils and I look forward to working in partnership with yourself to ensure a smooth transition for every young person. If you wish to discuss this or any other school related matter, please do not hesitate to contact me on 0300 300 1444 or via the school enquiries mailbox: trinityhighenquiries@renfrewshire.gov.uk

Yours faithfully
