

## Chairperson's Report – End of Year

This year has been one of change, teamwork, and real community spirit. As we look back, I want to begin with a sincere thank-you to every single person who has supported the Parent & Families Association. Whether you came to meetings, shared ideas, offered feedback, volunteered your time, or helped us fundraise — your energy has carried us through. None of this happens without people who care.

We began the year as a brand-new team: joint Co-Chairs, a new Treasurer, and a new Secretary joining us throughout the year. Even with all that change, we have achieved so much together. We set up a new bank account, created a new logo, and worked hard to encourage more families to get involved — from coffee-and-cake meetings to being present at Parents' Evenings. We even helped families sign up to EasyFundraising, where our balance now proudly sits at £684.

Our fundraising efforts have been full of heart and creativity:

the Boo Raffle, children singing beautifully at Morrisons, Christmas raffles, and the Silent Disco that brought so many smiles. We also sent out a parent survey to help shape our priorities for the year ahead, ensuring our work reflects what matters most to our families.

To our P7 parents — thank you for all the years you've supported the PFA. Your help has meant more than you know. And in true PFA tradition... we hope you've learned your lesson and never join the Parent Council at high school.

Finally, we want to offer our warmest congratulations to Mrs Hunter on her new Head Teacher role at St David's. We wish you every success in this next chapter. You will always be part of the St Anne's family.

Thank you all for your kindness, your commitment, and your belief in what we can achieve together. Here's to another year of working side by side for our children and our school community.
