

## **Emergency procedures for parents worried about the health and safety of their children, due to snow, ice or flooding.**

The school will remain open until 3.00 pm as usual. Mrs Vallance will be last to leave!!!

However if you have any concerns about the health and safety of your children, due to snow, ice or flooding, particularly if they come on school buses, you should collect them from school – as soon as you can or after 1.00 pm.

When you collect your child, please ensure you have notified Vicki or Joan in the main office or staff at the entrance holding class lists.

If you take other children home with you to help the school, please ensure you notify us and take the parents' phone number to remain in contact with them.

Decisions about school closures are made by Renfrewshire Council. When deemed appropriate, the press dept. will contact Radio Clyde about closure should weather conditions remain difficult or deteriorate.

Always check the website

Thank you for all your help and consideration.
