St Catherine's Got Talent

St. Catherine's recently hosted a showcase of talents and we discovered we have a wealth of talent within our school! Children from Primary One to Primary Seven prepared for the showcase by attending auditions and getting in as much practice as they could.

Finally the day of the showcase arrived and many children reported feeling nervous. But we were in for a treat! Throughout the school we had a variety of singers and dancers, we had children who played the Star Wars and Harry Potter theme tunes on their instruments. Some of the children even wrote their own songs to perform. What an afternoon we had!

It is certainly safe to say St Catherine's has 100% got talent and could give some of the big artists today a run for their money. Bring on Simon Cowell!

Stars in the Making

Recently we were treated to a spectacular show from our primary seven's. Our fantastic Primary Seven's learned the whole Tam 'O' Shanter play in just one day! Amazing! They said it was "hard to learn" but a "fantastic experience" and they would definitely do it again. We would like to say a big thank you to our wonderful drama coach David, who helped the children to learn the play. The whole school came to watch and we asked the Primary Sevens if they felt nervous. Jemma P7 said "it was very nerve wracking but overall it was fun."

MORNING BREAKFAST CLUB

St. Catherine's has a new morning breakfast club and we are loving it! This club is free of charge and on every day starting from 8.15 in the dinner hall.

At the brilliant breakfast club you can get many different kinds of cereal, some toast and a yummy drink. You can also sit with your friends to enjoy your healthy breakfast. Not only that but we also get to play games! On Tuesdays to Thursdays we get to eat our breakfast and play a variety of games such as dodge ball.

We hope that the breakfast club will run for a very long time and the children of St. Catherine's will continue to attend.
