Although we encourage children to tell us about their achievements out with school we are sure that we don't know about lots of things however big or small, for this reason we would like your help. If you feel that your child has accomplished something for the first time, improved in something, or has achieved please let us know by completing the tear off slip below. This will then be shared at assembly and added to our achievements records

Summer/Sun Care

Now that we are in the summer term, we hope the weather will be kinder to us. Please consider providing a hat and applying sun screen to children on hot days. This will minimise the risks associated with exposure to the sun. For more information visit www.sunsmart.org.uk.
