Although we encourage children to tell us about their achievements out with school we are sure that we don't know about lots of things however big or small, for this reason we would like your help. If you feel that your child has accomplished something for the first time, improved in something, or has achieved an award (yellow belt in Judo, badges at Scouts/Brownies/Boys Brigade etc) please let us know by completing the tear off slip below. This will then be shared at assembly and added to our achievements records

Recognition of Achievement

I would like (name) _____

(class) _____

to be recognised for his/her achievement in

He/she

Parent's Signature _____

Date _____

Uniform

The children have continued to be exceptionally smart since the start of term. Sincere thanks are extended to parents and carers for making this happen. For the autumn/winter period we strongly recommend that all pupils have robust footwear and a warm waterproof jacket with hood.

Diocese of Paisley Vocations Mass

This year the annual Diocesan Vocations Mass will take place on **Monday 11th September** at 7pm in St. Mirin's Cathedral. All members of our school community are invited to come along. We ask that those children attending wear their school uniform. Refreshments will be available in the Cathedral halls after Mass.

School Holidays

The school will be closed on Friday 22 September and Monday 25 September for the holiday weekend.

Physical Education

Parents wishing children to wear body jewellery during Physical Education should write to the school expressing their request. Children will be expected to provide tape and cover any such items of jewellery during the activity. Pupils will be responsible for the safekeeping of jewellery.

Maths Week Scotland

As this is the inaugural year of Maths Week Scotland, across Renfrewshire we are taking part in a celebration of all things mathematical during the week beginning 11th September. During this week the children will be involved in daily maths activities and games and each class has been challenged to come up with an innovative way to take their maths outdoors and will share their ideas at assembly! We would love you to get involved by attending our mental maths parent workshops planned for during this week.

You are welcome to provide feedback on any items contained in our newsletter. Please do not hesitate to contact me if there is ever anything you wish to discuss.

Mrs Teresa Brown
