

Newsletter April-June 2021

We would like to welcome all our families back to nursery after the Easter Break. All your support throughout our transition to the Community Centre is very much appreciated and I think we can all agree that the children have been little stars when coping with the change. The building works are in full swing and we keep everything crossed that it will be ready to open in August for our 2021-2022 year beginning.

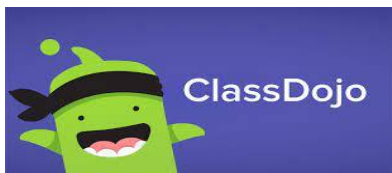

At this time could we give a gentle reminder about the COVID restrictions that are in place to keep our children, families and staff as safe as possible during these difficult times. Could you please ensure your child/children have a change of clothes with them as we are unable to wash anything at this time. Staff have allocated bags within the nursery and the children have their own pegs, there is no need for you to bring your child a backpack. If you could please pass staff your child's change of clothes, nappies or wipes at drop off times they will put these in the bag we provide. Thank You.

Now that we see a change in the weather and hopefully the sun is coming out you **MUST** apply sunscreen before you bring your child/children to nursery. It would be helpful if you could provide a bottle of sunscreen for your child to keep in their bag in nursery for the staff to re-apply the sunscreen when needed. We also ask for you to provide your child with a sun hat. Thank You.

Thank you to all as all our children are now registered for Dolly Parton's Imagination Library. Can we please remind you at this time of the importance of letting us know any changes of circumstances in relation to change of address and phone number.

During lockdown the class DOJO has been a fantastic resource for the children and staff to keep in touch. Thank you for all your pictures and comments, they have kept everyone going over these difficult times.

The staff will continue to use the Class DOJO to let you know what the children have been learning about, ideas for home and other useful information. Can we remind you that Class DOJO is for sharing learning experiences and ideas both at nursery and at home. If you need any information and or support for your child, please contact the nursery direct. Thank You

Can you please remember to log onto your parent pay app and give a little donation for our nursery. This donation will go towards healthy snacks and important resources for our little cherubs to explore and play.

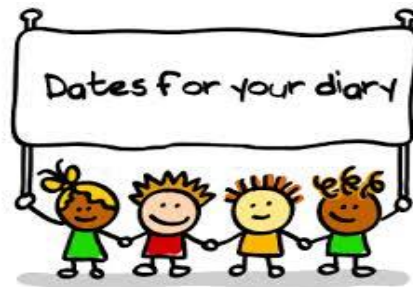

Transition from Nursery into Primary 1

It is almost time for your children who are going to school this year to begin their transition. Transition will take place week beginning 31st May 2021. You will receive further information about the dates and times of this. Our Early Intervention Officer will be spending two full days with the preschool children prior to this week. A flip book will be sent out to all carers/parents with important information about starting school.

Our photographer has been in touch with dates to come to the Community Centre and photograph your child/children. Unfortunately at this time per COVID restrictions we are unable to have family/sibling photo's taken unless siblings attend nursery together, also the photoshoot will take place outdoors as the photographer is unable to come into the centre. Posters will be displayed on the front door where you drop your children off. These dates are subject to change but you will be informed of exact date nearer the time.

May Day Holiday - Mon 3rd May
Nursery Returns - Tues 4th May
Inservice Day - Thurs 6th May
Photographer - Tues 11th & Wed 12th May (TBC)
Spring Holiday (Queens Birthday) - Mon 31 May
