**Expressive Arts/STEM** 

## Home Learning Grids- First Level (P3, P4 & P5)

Each day, choose 1 literacy and 1 numeracy task and <u>either</u> 1 expressive arts/STEAM challenge <u>OR</u> 1 from the separate P.E. challenge grid. If you choose an expressive arts/STEAM challenge on day 1, make sure you choose a P.E. challenge on day 2 or vice versa. Send pictures/videos of your completed task to your teacher on Seesaw if you can. If you are looking for additional things to keep you busy- attempt the challenges added to several tasks and see the list of additional activities below.

Go outside and play on your bike / skateboard / roller skates / scooter. You could even play a game in the garden or outdoor area. Football, basketball, tig etc. As long as you're outside getting active!

Make up your own game or sport. A personal favourite of mine is trying to see how many socks I can 'score' into the washing basket. You may also want to play 'tin can' bowling. Get creative.

Take photos / videos of your game.

Go for a walk with your family. Spend some time together outside. Take photos of some of the sights / wildlife you see. Be the outdoor photographer for the day. Your phones / fitbits / step trackers will count the number of steps you did.
