

At St David's, we know that parents and families are the biggest influence on their children's development. Our Home Shared Learning approach is designed to support a home school partnership, which replaces traditional homework and creates an opportunity for families and school to work together, so that our children can do better.

This month we will be learning about... This month we will be learning about...
Tools for a sentence- Capital letter, spacing, full stop, reread to check. Adding 1-digit to 2-digits eg $56+8=$, greater than/less than $> <$. Know our days of the week, months of the year and colours in Spanish. Using the 'turtle' every day and choose strategies that help us when we are sad or upset or angry

Reading	Discuss likes and dislikes about your book	What puzzles you about your book?	What connections can you make between your book and the real world	
Literacy & Modern Foreign Languages	Pick 5 letters of the alphabet then write the letter before and after Eg g h i	Write a list of things you would like for Christmas dinner.	Practise your sentence writing by writing a story imagine what might happen if you met Santa	Practise your Spanish- days of the week and months of the year Teach them to someone at home
Numeracy	Choose your own numbers to add by counting on Eg $23+5=$ Write at least 4 different calculations	Use $<$ and $>$ To write at least 5 different calculations eg $24 < 36$ $28 > 12$ Remember look at the tens first	Practise counting on and back starting and stopping at given numbers Eg start 34 and stop 48	Draw a picture using 2D shapes then count and name the shapes you have used. Eg 2 circles, 5 squares 1 pentagon...
Other Curriculum Areas	Imagine that you visited the baby Jesus what gift would you bring, draw and write in your journal. What did you say to his mother Mary?	Make a list of things you can do at home to help you when you are sad or upset Eg, music, draw, read, game, finger breathing, bubbles	Draw and label a picture of your very own elf. What is the name of your elf?	Make a decoration for your Christmas Tree. Tell the class how you made it. What you used, what you did.
Family Activities	We would usually host our Jingle Bell Mile in December with our school community. Why not find a time with your family, put on your Santa hats and choose a route in the local community to spread some Christmas Cheer.	In the current circumstances, some of the residents in our local community have less visitors than usual, can you spread some kindness and create them a Christmas Card – bring it to school and we will post them on.	During December, we celebrate Advent which is a time of preparation. Could you prepare by joining in with mass online from Fr Paul?	This month can you investigate ice – outside or inside. What can you see when you look closely at it? Can you use frost on the windows to create a design? If there is ice on the ground, can you experiment with movement of toys/cars etc on it

Please share your Home Shared Learning with your Class Teacher via the Seesaw App – you can upload photographs, voice notes, videos etc
