

ENABLE WORKS

Progress for Parents

Are you a Parent affected by a disability, or the parent of a disabled child?

Would you like support to progress in the workplace or a support to challenge your career goals and fulfil your potential?

WE CAN HELP!

www.enableworks.org.uk

ENABLE Scotland is a charity registered in Scotland No SC009024

Am I eligible?

Progress for Parents may be the programme for you if you:

- Live in Renfrewshire
- Parent or Parent of a child affected by disability or long term health condition

How does it work?

Progress for Parents will:

- Match you to a dedicated Employment Coordinator who will offer 1:1 and group support
- Support to help increase confidence and personal motivation
- Source work placements/work trials
- Opportunity to complete an SQA qualification
- Explore training and education opportunities
- Help build your CV
- Give job searching and application support
- Prepare you for Interviews
- Offer employer guidance and in-work support
