Welcome to the thinkuknow website

4,500,000 **4,545,225**

Tell us how many children you have trained!

Click here to feedback the number of children that you have trained with the Thinkuknow resources.

Come in to find the latest information on the sites you like to visit, mobiles and new technology. Find out what's good, what's not and what you can do about it. If you look after young people there's an area for you too – with resources you can use in the classroom, at home or just to get with it. Most importantly, there's also a place which anyone can use to report if they feel uncomfortable or worried about someone they are chatting to online. All the information here is brought to you by the team at the [Child Exploitation and Online Protection \(CEOP\) Centre](#). We hope you like it!

Hector's World

Top Tips

Hello

If you are 5, 6 or 7, I bet you probably like to use the computer for fun.

We've made this website to help you go on the internet in a safe way and know who to talk to if you are worried.

You can also [watch Hector](#) and his friends learning how to use their computers safely in a cartoon!

5 - 7 Teaching Resources

- Six interactive cartoons focusing on personal information, cyberbullying and stranger danger
- Supported by lesson plans
- Physical resources including stickers, song sheets, colouring books and posters
- Hector's World Safety button

CYBER
CAFÉ

HELLO

If you're between 8 and 10,
you probably know a lot
about using the internet.

We've created this area for you to
show you what we think is good, look
at what's not and show you ways you
can get yourself out of bad situations.

If you know something we don't, or
you want to get involved in helping to
make our website better take a minute to fill

HAVE A LOOK AROUND THE THINKUKNOW CYBER CAFÉ

We have a cool **cyber café** for you to visit
where you can help Jason, Sunil, Ali and
others to stay safe using new technology.
