26 August 2021

Dear Parents/Carers,

Following the easing of COVID-19 restrictions we are now able to invite visiting professionals into school.

We have arranged for school photographs to take place on Monday 30 August. All children will have the opportunity for an individual photograph and family groups will also be taken. Primary 1 and Primary 7 will have a class individual photograph taken. Could I please ask that your child attends in full school uniform on this day. Thank you.

Proof photographs will go home with children the next week, please check your child's schoolbag. Should you wish to purchase a photograph please enclose the correct money, cheque or bank details in the envelopes provided. These must be returned to school by as soon as possible to allow the company to process the orders..

Yours sincerely,

A handwritten signature in purple ink that reads "Mhairi McDonald".
