P7 PUPIL LEADERSHIP TEAM PRESENTS: OUR MONTHLY NEWS!

Welcome, readers, to the first edition of the Leadership Teams Monthly Update, brought to you by your P7 Pupil Leadership Team! We've been busy gathering the most exciting news, stories, and happenings from around our school. Get ready for a fantastic read!

WIZARD OF OZ: A ROARING SUCCESS!

Caption: P1-7 pupils enjoyed a spectacular production of Wizard of Oz brought to us by M&M productions.

Primary 6 & Primary 7 also got the opportunity to take part in a workshop with cast afterwards. So please make sure you ask them all about it.

SCHOOL NEWS

Dolly Parton Day!

On Thursday 24th September, we are celebrating Dolly Parton day to celebrate everything kind she has done for people around the world.

Dolly Parton was a singer, song writer and a actress.

She also grew up in Tennessee, USA.

Her dad died and didn't go to school so he couldn't read or write. She later made a charity called Imagination Library so every child around the world could read and write.

We are asking everyone to wear denim for Dolly or pink her favourite colour.

Class update:

Each month we will be providing an update on the learning of 2 classes. This month we are reporting from Primary 1 & Primary 2

Primary 1

Primary 1 have had an exciting start to the year. So far they have been learning how to write their name and the sounds 's' 'a' 't' 'i' 'p' 'n'. In Numeracy they have been learning number formation and subitizing as well as counting. Primary 1 topic is people who help us and I think they had a special visitor that they all enjoyed. They have also done really well learning our school rules and routines.

Primary 2

Primary 2 have also had an interesting start to the year. In Numeracy they have been learning about all the different shapes including 2D and 3D shapes. Their topic is Vikings where they have been learning about long boats and Viking ruins. In Science their focus has been forces and they have been enjoying experiments using magnets.
