

Dear Parent/Guardian,

**Active Schools St Fillan’s Primary**

The activities below have been organised by your Active Schools Coordinator Lynsey and will be delivered by a qualified and experienced sports coaches, school staff or volunteers. We have some exciting new classes for you this term again and hope to welcome some new faces. The clubs are both to allow the children to try something new and to provide an opportunity to compete in various local and authority wide events in partnership with the school. All clubs will take place outdoors until further notice, please send children with appropriate outdoor clothing.

Unfortunately, as intended we will now **not** be able to offer the P7/6 & P.6 afterschool clubs at this time.

All the **lunchtime clubs** listed below will commence week beginning Oct 20<sup>th</sup> for 8 weeks, lunch clubs will be £1 per class. The block fee should be paid via Parent Pay directly to the school. This fee contributes towards the payment of coaches, purchase of equipment and costs to access events and festivals in the new year. Thank you in advance for your support of the school programme.
