Tuesday 3rd May 2022

DEFIBRILLATOR TRAINING

Dear Parent/Carer,

You may have noticed that a defibrillator has been installed outside our main entrance. This device is a welcomed addition to our school estate as it is a vital piece of equipment that can be used in the event of a medical emergency involving cardiac arrest.

We have organised a training event at 3.00pm on **Thursday 19th May 2022** for anybody who would be interested in learning more around the use of this equipment.

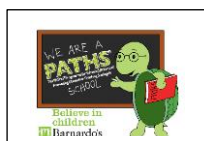

This event is open to anyone within the community and we would be grateful if you were able to 'spread the word' to your neighbours/family.

The children are welcome to be in attendance or play at the front of the school building.

Kindest Regards,

C Mackenzie

Mrs Claire Mackenzie
