### LATERAL FLOW TESTING – UNIVERSAL OFFER

Dear Parent/Carer,

You will be aware that with the rapid transmission of the new Omicron COVID variant, there has been increased promotion around the use of lateral flow tests. Current advice encourages adults and Secondary school pupils to test regularly twice weekly and prior to attending indoor social events when mixing with people from other households.

The link below provides the latest government advice around the ordering of 'Lateral Flow Testing Kits' from pharmacies or testing centres.

<https://www.gov.scot/publications/coronavirus-covid-19-getting-tested/pages/no-covid-symptoms/>

Please be advised that we have an additional supply of lateral flow testing kits that we would be able to issue to our children if they were identified to be high risk or a close contact and there were no testing kits available at home. Should this apply to your child and you require a kit, then please contact Mrs Sutherland on 0300 300 0182 at the School Office and she will be happy to advise further.

Please take care and stay safe.

Kindest Regards,

*C Mackenzie*
