**Golden Ticket Tea Party**

**26<sup>th</sup> February 2025**

### Golden Ticket Tea Party:

Each month, the Head Teacher hosts a 'Golden Ticket Tea Party,' for two children in each class who deserve special recognition for their efforts in class.

The Class Teacher nominates one pupil, and the other children nominate the second winner. Reasons are provided and are shared with pupils after their visit to the Tea Party.

The winners receive a golden envelope inviting them to the Tea Party and are awarded with a certificate at the 'Celebration of Achievement Assembly' and we do our best to share photographs of weekly winners through Seesaw.

This strategy helps to build positive relationships between children at different stages and with the SLT.

Our children are comfortable and show resilience in the knowledge that they will be invited to attend the 'Golden Ticket Tea Party' as some stage during their time in St. Fillan's. They understand that this may not always be possible within the period of an academic session due to class sizes or a variety of other reasons.

It is important to note that a child's attendance is also tracked by Class Teacher's and if a child is unable to attend the 'Golden Ticket Tea Party' for a variety of reasons, then they will be invited to join the next available tea party in due course.

This month the children have also went above and beyond developing skills for learning, life and work.
