P7 Open Evening 2026 - Tuesday 29th September 2026

Dear Parent/Carer

We are very much looking forward to welcoming your child to St Benedict's High School in August 2027.

In order to make the transition process as smooth and positive as possible, there will be a number of events taking place over the coming session.

The first of these events is our P7 Open Evening on Tuesday 29 September at 6.00pm, to which I would like to warmly invite you and your child. The evening will begin with a short presentation introducing you to members of our senior staff and providing information about our Primary/Secondary Transition Programme.

The main purpose of the evening is to give you and your child the opportunity to **look around the school and experience some of the exciting learning and activities taking place across our departments.**

At the end of the evening, refreshments will be available in the Social Area, providing an opportunity to have an informal chat with staff and ask any questions you may have about the move from primary to secondary school.

This is an evening for both parents and pupils, and we look forward to welcoming you to St Benedict's and helping you to find out more about life at our school.

I look forward to meeting you then.

Yours faithfully

Alan Taylor
