Class Charter

Let's look at our class charter

- Positive behaviour approach
- Rewards & celebrations

Outdoor Learning

- Beginning to take our learning outdoors.
- Mrs McKay: STEM and Outdoor Learning
- We are in the process of gathering resources as a school.
- Natural Disasters.

Topics We Will Be Covering Until Christmas

- Talk for Writing: Fiction and Non-fiction
- Natural Disasters
- MathBURST: position, shape and movement
- Titanic
- Novel: Kensuke's Kingdom
- Reading for enjoyment

Homework

- Homework will be posted to Seesaw
- Posted on a Monday and returned by Friday
- Types: reading, spelling, maths, occasional IDL task
- Homework jotters should be returned on a Friday to be checked by the teacher.
- Occasionally digital tasks may be allocated to your child via Readingeggs or Mathseeds. Pupils have been given a code to access.
- These can be played on a laptop, chromebook, tablet or phone.

How You Can Help at Home

- Encourage reading for pleasure with physical books and the Reading Eggs Online library
- Relate and encourage learning to real life e.g. encourage children to use their maths skills when shopping
- Support homework routines and deadlines
- Talk about the importance of following the Class Charter and learning
- Praise effort and perseverance
- Complete Reading Eggs / Math seeds tasks; we receive weekly report on usage and achievement. The class are used to using this resource and should know what to play and where to find it on the resource

In summary the Homework tasks will be usually be:
Reading Eggs book/quiz once it is finished. This
will be set by the teacher and appear in the
LIBRARY area.

Occasionally a Reading Eggs OR Reading Express
'My Lessons' Comprehension task. We will be
doing these in school.

Math Seeds 'Lessons'. (Complete one)

SeeSaw

- You should be logged in as a FAMILY member to see updates on the class feed AND your child should be logged in to be able to complete homework tasks.
- QR codes have been sent home however let me know if you need another QR code.
- If anyone is having trouble getting onto Seesaw then we can try and sort it today, if not we can organise support.
