

# St. James's Primary School Mathlete's action Plan

## ACTION PLAN 2019-2020

**Aim:** To improve our mental maths skills and pupil's confidence with maths.

<u>Progress</u>	<u>Action/Objective</u> What will be done?	<u>Responsibility</u> Who will do it?	<u>Timeline</u> When will it begin and when will it be completed?	<u>How can we monitor it?</u>	<u>How will we know when we're successful?</u>	<u>Did it work?</u> <u>Any ideas for the future?</u>
	To support children with maths across the school (Term 1)	Miss Kelly Class Teacher Mathletes	October-December	Mathletes will create own questions and survey the children they work with.	Children are enjoying maths and excited to take part in maths lessons. Children feel supported in class.	Survey answers were positive. Agreed next time they will survey the teachers as well.
	To support children with maths across the school (Term 2)	Miss Kelly Class Teacher Mathletes	January - April	Survey questions	Children are enjoying maths and excited to take part in maths lessons. Children feel supported in class.	
	To provide fun extra challenges for the mathletes.	Miss Kelly	January-June	Mathletes will complete pupil feedback questionnaire	Mathletes feel challenged.	
	To support children with maths across the school (Term 3)	Miss Kelly Class Teacher Mathletes	April - June	Survey questions	Children are enjoying maths and excited to take part in maths lessons. Children feel supported in class.	
	To create challenges for every stage in the school	Mathletes Miss Kelly	April-June	Mathletes will create survey questions for each stage.	Children are enjoying maths and excited to take part in maths lessons and challenges.
