Children's Services

CH/JG

27th August 2020

Dear Parent/Carer,

After feedback received during our Education Scotland visit, we would like to streamline the methods of communication we use at St James' Primary. We are looking for a group of parents/carers to help form a communications group. This group would meet online via MICROSOFT TEAMS to discuss future improvements in this area. It is our hope that this will provide consistency in the delivery of whole school information and updates you receive from the school e.g. uniform.

If you would like to be a part of our 'Communications Group', please complete the tear off slip or alternatively contact the school via email to note your interest.

In the interim, we will post all important whole school communication/letters on our **school website** and **email** these out to parents/carers via the email addresses you provided to the school. Class teachers will continue to provide class information and pupil updates via the **Seesaw** app

School updates will regularly be posted on the home page of the school website. You can visit the website at <https://blogs.glowscotland.org.uk/re/stjames/>

I would ask that you complete the reply slip should the email provided to the school require updating.

Yours sincerely,

Calum Healy
Principal Teacher
