Children's Services

EAB/FK

September 2020

Dear Parent/Carer,

We have an increasing number of pupils in St James' Primary who suffer from nut allergies. For some pupils, coming in to contact with nuts causes a potentially life threatening anaphylactic reaction.

This reaction can be induced by smell, touch or ingestion of nuts. In order for us to reduce the risk of an anaphylactic reaction occurring at school we would be very grateful if you could refrain from sending your child to school with nuts, or any product containing nuts.

Thank you for your co-operation with this matter.

Yours sincerely

Natalie Fitzsimmons
Head Teacher
