

To ensure the best possible outcomes for our learners by raising attainment across the milestones for pre-school children, reviewing the Early Years assessment processes and the development of our Early Level Learning spaces and our pedagogy

Improving outcomes for learners through effective teaching and learning of Mental Maths.

Continue to equip learners to function effectively in the 21st Century, a century in which life and work will be enhanced, but also dominated, by digitisation.

School Improvement Plan 2022 – 2023

Our consultation with you and your feedback throughout the year has informed our School Improvement Plan for 2022-23. Thank you for helping us to continue to grow stars. As always, if there is anything you would like to discuss or you any further feedback, please get in touch.

Collaborative working to enhance the learning and teaching of writing (continuation with fiction and moving to the introduction of non-fiction in October).

Improving Learner wellbeing encompassing good relationships, wider achievement, stronger links with our faith and development of good citizenship through Laudato Si

Improve and increase the ways in which parents, carers and families can engage with teachers and partners to support their children and increase the voice of parents and carers in leading improvements within schools.

Ensuring best possible outcomes for our learners by raising attainment through a more active approach to learning from P1-7 encompassing Play through the early years, active learning approaches in the middle and upper years and outdoor learning

Commitment
