Dear Parents and Families

Welcome back

Inside:

We are delighted to welcome our primary 4-7 children back to school on Monday. We understand that although we are looking forward to all being together again some children may be feeling anxious about the return to school. At our google assembly Mrs Bannigan has spoken with the children about any concerns that they may have about coming back to school and this will be a focus throughout the school in the coming weeks. If you have any concerns about your child please do not hesitate to contact your child's teacher, myself or Mrs Bannigan.

Welcome Back

Staying Safe

P7 Leavers Hoodies

As indicated in previous communications there are simple steps that we can all take to keep each other safe. We would ask that all parents and carers follow the guidance below when dropping off or collecting children.

Head lice

- Only one adult brings a child or family of children to school.
- Parents and carers who bring their child/children to school wear a face covering and socially distance from each other whilst in and around the school carpark and playground.

Marching through March

- Parents and carers do not to approach teaching or support staff. If there is an issue you require to speak to a member of staff about, please contact the school office, or email the class teacher, Mrs Gardyne, or Mrs Bannigan.
- Children should come into the school playground just prior to the start of their school day, they should go straight to their line.

Reporting to Parents P 1- 3

Parent – teacher telephone calls to report on each child’s individual progress will take place over the next 2 weeks. Slips will be sent home indicating the date and time of your telephone appointment. Telephone reports for children in primaries 4 – 7 will take place following the Easter break.

Partnership with the Church

Catholic Erskine have kindly provided seeds and bulbs to be planted by our primary 4 & 5 children. The children will take photos and share how their seeds and bulbs are growing over the coming months. There will also be the opportunity to plant some of our flowers in the garden at St John Bosco church. Our primary 6 & 7 will also send Easter messages to members of the community.

P7 leavers hoodies

An order form for primary 7 leavers hoodies will be sent home with children next week. Once forms are returned, we will place our order and look forward to our children wearing their hoodies with pride.

Head lice

As more children return to school, we would ask parents to be vigilant and check children’s hair regularly for head lice. If your child has head lice treatments can be found at your local pharmacy. It is important that the full course of treatment is followed to ensure that the outbreak is fully treated. More information on head lice can be found at, <https://www.nhs.uk/conditions/head-lice-and-nits/>

Marching through March

What a brilliant start to our Marching through March school mission. We currently have ?? families participating. Our current totals for each house group are below. Google forms to record your milage for this week will be open on Monday 15th & Tuesday 16th March. As this is a Lenten mission you may wish to make a donation to SCIAF, the UK government is doubling all donations made to SCIAF until the 11th May 2021. To make a donation please follow the link. <https://www.sciaf.org.uk/get-involved/appeals/557-wee-box-2021>
