

## St. John Bosco Primary School

### Extended Transition Visits

In addition to the next two induction days on the 13<sup>th</sup> and 27<sup>th</sup> of May, we have arranged a further two short transition sessions. If you feel your child would benefit from some more time familiarising themselves with the school environment, you may drop your child off at the school office where a member of staff will greet them and take them to the classroom for 30 minutes. There will be with fewer children, creating a quieter environment. Your child will be returned to the main office to be collected.

Please contact the school office by phone or email if you wish to bring your child along to one or both of our sessions.
