[stjohnogilvieenquiries@renfrewshire.gov.uk](mailto:stjohnogilvieenquiries@renfrewshire.gov.uk)

**Head Teacher: Miss L Murray**

**Director of Children's Services: Mr Peter MacLeod**

**Date:** January 2020

Dear Parent/Carer,

Welcome to St John Ogilvie Primary.

This handbook is designed to give you important information about our school as you prepare your child for primary education. It is also a useful source of information about the Education Service provided by Renfrewshire Council.

All staff members in St John Ogilvie are committed to doing the very best for our pupils, parents and carers. We work hard to provide the right balance between high academic achievement and fun! The positive relationships between staff and pupils creates a warm, supportive atmosphere which is valued by all.

Children develop best when staff, parents and carers work closely together. With your support and co-operation your child can progress through this stage of their learning, confident in their own unique abilities and talents.

Our school motto is Starting a Journey of Opportunity.

We look forward to welcoming you to our school.

Yours sincerely,

Lorna Murray  
Head Teacher

## School Aims

Vision – A community of excellence and opportunity for all

Motto – Starting a Journey of Opportunity

Values – Respect, Honesty, Friendship, Partnership and Equality

1. To promote wellbeing and respect within a culture of ambition and achievement, reflecting gospel values within a community of faith and learning.
2. To share a common vision with our pupils, parents and staff and to foster high quality leadership at all levels.
3. To engage all our pupils in the highest quality learning activities which focus on outcomes and maximise success for all learners
4. To value and empower our staff and pupils, to reflect on our work, welcome challenge and to experience personal and collegiate responsibility.
5. To work in partnership with parents, other agencies and our community to improve and support learning.

## Service Pledges

### Standards and expectations

**We will:**

- offer all children and young people in our catchment area a free school place;
- provide school premises which meet health and safety standards;
- provide information on your child's progress;
- provide religious and moral education for your child;
- give support and encouragement for parents to be involved in school life;
- provide regular information on school activities; and
- provide 25 hours of class contact time in each normal school week for pupils of primary-school age.

### **Pupils will have opportunities for:**

- personal and social development;
- music, cultural activities and creativity;
- access to healthier lifestyles and sports activities; and
- community involvement.

### **You can also expect us to:**

- provide a formal written report on your child's progress;
- provide an annual report on progress within the school improvement plan;
- give you an opportunity to have a formal meeting with your child's class teacher or teachers;
- strive to meet your child's needs; and
- provide regular reports on the quality of the school.

### **How can you help?**

By law, you must make sure your child receives education.

As a parent, you can help your child by:

- making sure your child goes to school regularly;
- encouraging and supporting your child with any homework given;
- showing that you are interested in how your child is getting on at school;
- encouraging your child to respect the school and the whole school community; and
- being involved in the school.

The Act uses the broadly framed definition of 'parent' set out in the 1980 Act. This is as follows:

"Parent" includes guardian and any person who is liable to maintain or has parental responsibilities (within the meaning of section (13) of the Children (Scotland) Act 1995) in relation to, or has care of a child or young person;

This is a wide definition which might, by way of example, include:

- non-resident parents who are liable to maintain or have parental responsibilities in respect of a child;
- carers who can be parents;
- other with parental responsibilities, e.g. foster carers, relatives and friends who are caring for children and young people under supervision arrangements; and
- close relatives, such as siblings or grandparents caring for children who are not looked after or are under home supervision arrangements

Everyone who is a parent, as defined in terms of the 1980 Act, has rights under the Act. This includes the right to receive advice and information about their child's education, general information about the school, to be told about meetings involving their child, and to participate in activities, such as taking part in decisions relating to a Parent Council. Education authorities and schools should treat parents equally, the exception to this general requirement being where there is a court order limiting an individual's exercise of parental rights and responsibilities. It is for education authorities to advise schools on the application of these rights in individual cases.

## School day

Our doors are open from 8.45am to allow a relaxed entry.

Children are supervised by P7 monitors and support staff until the bell rings at 9.00am.

|               |                       |
|---------------|-----------------------|
| School starts | 9.00am                |
| Morning Break | 10.30am until 10.45am |
| Lunch         | 12.15pm until 1.00pm  |
| Close         | 3.00pm                |

Our pupils learn in bright attractive classes and open areas of our school. The bright and welcoming environment we enjoy contributes to the positive ethos felt by everyone who comes here. We promote outdoor learning in our school grounds, MUGA (multi-use games amenity) and local community. We have been credited with Health Promoting School recognition and have achieved two Green Flags for our ECO schools work. We currently hold the 'Diabetes UK' award. We are a Fair Achiever school. Our building is on one level and easily accessible, including facilities for disabled visitors and pupils.

## Parental Involvement

Parents can be involved in their child's learning by:

- Supporting learning at home
- Developing strong partnerships between home and school
- Engaging with the school, especially with Curriculum for Excellence

## Information, Support and Advice

Parents are valued partners in guiding our pupils through their learning journey. We pride ourselves on regular communication through dialogue, a comment box in the homework record, telephone, text and email. We do our very best to respond immediately to concerns and within 24 hours for general information and updates. Parents are welcome to attend the many events and reporting opportunities organised throughout the year.

A newsletter comes home on the last Friday of each month. This and other information can be accessed on the school's website and the school app.

### School in-service days

- Wednesday 12 August 2020
- Thursday 13 August 2020
- Monday 19 October 2020
- Wednesday 10 February 2021
- Tuesday 04 May 2021

## School Uniform

- School Tie
- Blazer with school badge (optional)
- White Shirt/ white polo shirt
- Grey/Red pullover or cardigan
- Grey skirt, trousers or pinafore (please note our pinafore is grey in colour)
- Grey long or short trousers
- Gym shoes (e.g. black slip on)
- Dark Shorts and white tops for P.E
- Shoe bag

The school discourages the use of inappropriate or revealing forms of dress and we rely on the co-operation of parents on this matter. For information a tartan pinafore is not our school uniform, where you wish your child to wear a pinafore we ask that it is grey in colour.

Renfrewshire Council encourages each school to adopt a dress code and for any proposed changes to be discussed with parents, pupils and the parent council. The council supports an agreed dress code because of the benefits it brings, including improvements in safety, security, discipline, ethos and community spirit, and a decrease in bullying and expense for parents.

Some types of clothing will not be allowed in school for reasons of safety, decency or indiscipline. Types of clothing which will not be allowed include:

- clothes which are a health or safety risk;
- clothes which may damage the school building;
- clothes which may provoke other pupils;
- clothes which are offensive or indecent; and
- clothes which encourage the use of alcohol or tobacco, or other inappropriate substances.

Pupils will not be deprived of education, any benefit or access to examinations because of not wearing school uniform.

In the interests of health and safety, of both individual and others present, all jewellery, including body jewellery, must be removed before taking part in physical education lessons or physical activities.

Grants for footwear and clothing for children are available to parents receiving certain benefits. Please see the council's website:

<http://www.renfrewshire.gov.uk/Freeschoolmealsandclothinggrants>

Information and application forms for free school meals are available from schools,

registration offices and customer service centres. A form can be downloaded from the council's website: <http://www.renfrewshire.gov.uk/Freeschoolmealsandclothinggrants>

Please help the school and the education authority by making sure that pupils do not bring valuable or expensive items of clothing to school. The council has no insurance to cover the loss of valuable items.

## Registration and Enrolment

The date for registration of new school entrants is advertised in all local nurseries, national and local press and on the council's website [www.renfrewshire.gov.uk](http://www.renfrewshire.gov.uk). It is normally in January each year. Pupils should be registered in only one school for their catchment area. Parents will be provided with information about the school when they register their child.

Parents who want to send their child to a school other than the catchment school must make a placing request. Information on how to make a placing request is contained in the leaflet 'Sending your child to school.' The leaflet is available from any school, by phoning our customer contact centre on 0300 300 0300, or on our website [www.renfrewshire.gov.uk](http://www.renfrewshire.gov.uk). It is important to note that a successful placing request into a primary school does not guarantee a successful placing request when a child is transferring to secondary school.

Parents of pupils who have moved into the catchment area or, who wish their child to transfer to the school, should contact the school office for information.

## Induction procedures for pupils starting school and their parents

Parents will be notified of arrangements for meetings and induction days for pupils during the spring and summer terms. Our induction programme for pupils begins with four visits in May. At this time the children will be involved in a range of activities from the wide curriculum we provide. Parents visit the school in May and then in August for a Curriculum afternoon.

Nursery staff work closely with the school at this time to make transitions as smooth as possible for children. Senior pupils partner (buddy) the children to offer support in play activities. This continues when the children come to school.

## Current Class Organisation

|             |            |
|-------------|------------|
| Primary 1   | 25 pupils  |
| Primary 1/2 | 22 pupils  |
| Primary 2/3 | 17 pupils  |
| Primary 3   | 26 pupils  |
| Primary 4   | 28 pupils  |
| Primary 5   | 27 pupils  |
| Primary 6   | 31 pupils  |
| Primary 7   | 30 pupils  |
| Total       | 206 pupils |

## **Assessment and Reporting**

Assessment is an integral part of learning and teaching. It helps provide a picture of the learner's progress and achievement, and identifies the next steps in learning.

Assessment includes supporting learning, learner engagement and ensuring appropriate support.

## **Tracking Learners' Progress**

Information on learners' progress is gathered through planned assessments and this information is recorded. This allows teachers to have a clear picture of how learners are progressing. It also allows teachers to identify next steps in learning and inform reporting on progress and achievement.

## **Reporting**

Regular reports to parents provide clear, positive and constructive information about their child's learning and progress, reflecting on what has been achieved against standards and expectations.

## **Learning Journey**

Pupils from P1-P7 regularly update an online profile and share their latest and best work and learning with their parents/carers.

## **Summary of the School Improvement Plan (Session 2019-20)**

In St John Ogilvie we aim to develop the following priorities:

### **Improve the Health and Wellbeing of our school community**

- Further develop whole school nurture approaches (in conjunction with Educational Psychology).
- Ensure all pupils have an opportunity to participate in two sessions of mindfulness each day.
- Offer parents/carers information and support on mindfulness.
- Enhance our current music curriculum by offering guitar lessons to Primary 6 and Primary 7. Offer family samba lessons to pupils from P1-3.

### **The Curriculum**

- Improve our approaches to the teaching of STEM (Science, Technology, Engineering and Maths) across all stages of the school.
- Update our current vision, values and aims of our school.
- Develop a rationale of our current curriculum.

### **Improve attainment in literacy (writing) and numeracy**

- Through the use of PEF money, employ a teacher for 1 day per week (split across the week) to develop and support numeracy.
- 3 members of staff to work to develop mind set in maths across the school.
- As a staff revisit and develop the criteria for the assessment of writing.

### **Develop Play Pedagogy (Inclusive of outdoors)**

- Enhance resources for play to support the curriculum in P1.
- Increase the opportunity for creative play in the playground as part of outdoor learning and break times.
- Purchase loose parts to support creativity indoors and outdoors.

## **The Scottish Attainment Challenge**

### **Attainment Challenge and Pupil Equity Funding (PEF)**

The Scottish Attainment Challenge, launched in 2015, is about achieving equity in education. This can be achieved by ensuring every child has the same opportunity to succeed. Renfrewshire is one of nine 'challenge authorities' who have received funding to improve literacy and numeracy and health and wellbeing, with a particular focus on closing the poverty-related attainment gap.

The Pupil Equity Fund (PEF) is being provided as part of the £750 million Attainment Scotland Fund which will be invested over 2016-2021. The PEF is allocated directly to schools and targeted at closing the poverty related attainment gap. Every council area is benefitting from the fund and is based on the number of pupils in P1-S3 known to be eligible for free school meals. The funding is to be spent at the discretion of the head-teacher working in partnership with parents, pupils and staff to devise plans which focus on closing the poverty-related attainment gap.

### Transfer to Secondary School

Pupils normally transfer to secondary school between eleven and a half and twelve and a half years-of-age, so that they will have the opportunity to complete at least four years of secondary education. Parents will be informed of the arrangements no later than December of the year before the date of transfer.

Parents who want to send their child to a school other than the catchment school must make a placing request. Information on how to make a placing request is contained in the leaflet 'Sending your child to school.' It is important to note that a successful placing request into a primary school does not guarantee a successful placing request when a child is transferring to secondary school.

St John Ogilvie Primary School is an associated primary school of St Andrew's Academy.  
Head Teacher - Kevin Henry ☎ 0300 300 1440.

### Transfer to Primary

Before leaving their early learning and childcare establishment, a transfer of information record for each child will be prepared by staff to ensure a smooth transition and continuity of education for the child transferring to primary.

### Car parking

A dedicated parking space has been created to ease access for people with disabilities. Please do not use this space/these spaces without authorisation.

### Care and welfare

Your child's welfare is central to the ethos of the school. Please contact the school to share any concerns you have about your child's welfare or wellbeing. The staff will work with you as parents or carers of our pupils, to make sure they are safe, happy and able to benefit from the educational opportunities we offer. This handbook gives details of how we deal with bullying, homework, additional support needs and many other areas that may impact on your child's wellbeing.

### School security

Renfrewshire Council has introduced procedures to ensure the safety and security of pupils and staff when attending or working in a school. We use a number of security measures including a visitors' book, badges and escorts, while visitors are within the school building. Normally, anyone calling at a school for any reason, will be asked to report to the school office. The school staff then can make the necessary arrangements for the visit.

### Attendance and absence

If a child is absent from school, parents are required to phone or email the school office by **9.30 am** on the first day. If no telephone call or email is received, parents will automatically receive a text message asking them to phone the school immediately.

If an absence is planned, please inform the Head Teacher in writing. If a child requires to depart early for any reason the school office must be notified in advance. No child will be permitted to leave early unless collected by an authorised adult. If at the end of the school day, for any reason, a child is not collected at his/her usual meeting place he/she must return to the building and report to the office immediately.

It is the responsibility of parents of a child of school age to make sure that their child is educated. Most do this by sending their child to school regularly. Attendance is recorded twice a day, morning and afternoon.

Absence from school is recorded as authorised, that is approved by the education authority, or as unauthorised, that is unexplained by the parent (truancy).

Please let the school know by letter or phone if your child is likely to be absent for some time and give your child a note on his or her return to school, confirming the reason for absence. If there is no explanation from a child's parents, the absence will be regarded as unauthorised.

Please make every effort to avoid family holidays during term time as this disrupts your child's education and reduces learning time. The head teacher can approve absence from school for a family holiday in certain extraordinary situations, for example, in traumatic domestic circumstances where the holiday would improve the cohesion and wellbeing of the family. Please discuss your plans with the head teacher before the holiday. If the head teacher does not give permission before the holiday, it will be recorded as unauthorised absence. The head teacher may also exercise discretion when a parent can prove that work commitments make a family holiday impossible during school holiday times. Normally, your employer will need to provide evidence of your work commitments. Absence approved by the head teacher on this basis is regarded as authorised absence.

Parents from minority ethnic religious communities may request that their children be permitted to be absent from school to celebrate recognised religious events. Absence approved by the head teacher on this basis is regarded as authorised absence. Extended leave can also be granted on request for families returning to their country of origin for cultural or care reasons.

A supportive approach is taken to unexplained absence. However, the education authority has legal powers to write to, interview or prosecute parents, or refer pupils to the Reporter to the Children's Panel, if necessary.

**We aim for excellent attendance!**

### **Bullying**

Renfrewshire Council has an anti-bullying policy which was developed in consultation with pupils, parents and staff. The policy provides guidance on the prevention, identification and management of bullying – both the bullying behaviour and the impact it has.

Our school also has its own anti-bullying policy which sets out our local approach to tackling bullying. You can request a copy of the Council's policy and/or the school's policy from the school office or access them online at <http://www.renfrewshire.gov.uk/article/3469/Anti-bullying>

If you have a specific concern about bullying, please report this to the school so that we can investigate and take any action that might be needed.

### **Safeguarding including child protection**

All children have a right to be protected from harm, abuse and neglect. The vision of the Renfrewshire Child Protection Committee is that "it's everyone's job to make sure that children in Renfrewshire are safe."

Renfrewshire Council has a child protection policy and guidelines in place to make sure that all staff receive training each year and are confident in responding to any child protection or safeguarding issue, including e-safeguarding, child sexual exploitation and radicalisation. Staff ensure the wellbeing of children they come into contact with and work closely with other agencies to protect children and keep them safe. All school staff must report any concerns they have about the welfare of children.

### **Mobile phones**

The benefits of mobile phones are recognised. Many young people and their parents regard them as an essential means of communication. Mobile phones can continue to be brought into schools, however the following limitations will apply in Renfrewshire schools and nursery establishments.

- All phones should be turned off and kept out of sight during the school day within the school campus.
- Photographing or recording of sound or images of staff, other pupils or visitors to the school is not allowed at any time within the school campus or on school transport.
- Mobile phones may be confiscated where these rules are broken.
- Any recordings made on school premises or school transport found on confiscated phones must be deleted on their return.
- Any photographs or recordings of staff in any situation, whether taken on school premises or elsewhere, found on confiscated phones must be deleted from phones on their return.
- Children's Services expects that schools will, through normal collegiate procedures, develop or review existing policies on the use of mobiles phones that take account of the views of all staff, parents and pupils.
- Schools should ensure that pupils, parents and staff are aware that should a pupil breach the policy they will be disciplined in line with the school's positive

behaviour/discipline policy.

- Individual school policies should clearly state for the benefit of staff, pupils, parent and visitors any variations from the restrictions on use of mobile phones set out below.
- Pupils and parents should be notified that mobile phones will be confiscated where these limitations are breached.
- Smartphones introduce additional challenges for schools and parents. Pupils and parents should be aware that this also leaves pupils open to dangers such as cyber bullying, grooming and access to inappropriate material. Parents are encouraged to read anti-bullying policy for further guidance.
- Staff should not delete photographs or recordings from confiscated mobile phones.
- When staff confiscate mobile phones or other devices, they should ensure that these are retained in a safe place that cannot be accessed by others. This may be a lockable drawer or cupboard, a base area or a delegated area in the school office. Confiscated mobile phones should normally be passed to the school office or senior member of staff as soon as possible after confiscation.

#### Legal Aspects

- There are a number of aspects of the law that may apply to mobile phone misuse and the responses to that misuse. In the most serious cases there may be a crime involved – an incident that is being filmed might be an assault or breach of the peace. The misuse of a mobile phone might be an offence under the Communications Act 2003, if it involves a call or message that is grossly offensive or is of an indecent, obscene or menacing in character; and, the distribution of certain pornography might be an offence under the Civic Government (Scotland) Act 1982.
- In situations which are so serious that a school might call in the police, it is for the police and not the school to consider what, if any, criminal offence may apply.

These restrictions on use apply equally during any school activity that takes place off campus.

Pupils breaking the rules will be disciplined in line with the school's positive behaviour or discipline policy.

## School meals

All Primary 1 – Primary 3 children are automatically entitled to a free school meal.

Children of parents receiving certain benefits, are entitled to a free midday meal. Information and application forms for free school meals are available from schools, registration offices, customer service centres or may be downloaded from the council's website:

<http://www.renfrewshire.gov.uk/article/2303/School-meals>

Children who are also entitled to free school meals are entitled to free milk at lunchtime. Milk may also be on sale in the school during the lunch period.

### **School transport**

Renfrewshire Council's current policy is to provide home to school transport to all primary school pupils who live more than 1.609 kilometres (1 mile) from their catchment school by the recognised shortest safe walking route. Parents who think they are eligible can get an application form from the school or Children's Services in Renfrewshire House, Paisley or online at <http://www.renfrewshire.gov.uk/article/3486/Home-to-school-transport>. These forms should be completed and returned before the end of February for those pupils beginning school in August to allow appropriate arrangements to be made. However, parents may make an application at any time.

In special circumstances, the Director of Children's Services has discretion to grant permission for pupils to travel in transport provided by the education authority, where spare places are available, at no additional cost to the authority.

Children from the Ralston area, beyond the 1.6km limit, travel by school taxi.

### **Pick-up points**

Where home to school transport is provided, some pupils will require to walk a reasonable distance from home to the transport pick-up point, but this should not exceed the authority's agreed limit of 1.6 kilometres (1 mile).

It is the parent's responsibility to make sure that their child arrives at the pick-up point on time and behaves in a safe and acceptable manner while boarding, travelling in and leaving the vehicle. Children who misbehave can lose their right to home to school transport.

### **Placing requests**

You should be aware that if we grant your placing request, we do not have to provide a school bus pass or any other help with transport.

### **Assisted support needs**

Renfrewshire Council may provide home to school transport for children assessed to attend any school because of their Additional Support Needs. We also provide seat belt and wheelchair restraints needed to transport pupils.

### **Playground Supervision**

An adult presence is provided in playgrounds at break times, as required by law.

### **Pupils leaving school premises at breaks**

Schools have a duty to look after the welfare of their pupils. This means that the staff should take the same care of pupils as a sensible parent would take and includes taking reasonable care of pupils' safety during intervals and lunchtimes, where they are engaged with them.

Renfrewshire Council recommends that pupils should not leave school grounds at intervals. Primary pupils should only leave at lunch times when they are going home for lunch, with their parents' agreement. Parents should encourage their children to follow these rules in the interests of safety.

## Equalities

Renfrewshire Council is committed to ensuring that all employees, customers and partners are treated fairly and with respect at all times. We are committed to promoting equality and tackling discrimination through the way services are planned, delivered and purchased. The council promotes and encourages a culture whereby equality of opportunity exists across all the protected characteristics of age, disability, race, gender reassignment, pregnancy and maternity, religion and belief, marriage and civil partnership, sex and sexual orientation.

School education is open to all pupils and all reasonable measures will be taken to make sure that the curriculum is available to every child. The Equality Act 2010 introduced a new public sector general equality duty which requires Scottish public authorities to pay 'due regard' to the need to:

- Eliminate discrimination, victimisation, harassment or other unlawful conduct that is prohibited under the Equality Act 2010
- Advance equality of opportunity between people who share a characteristic and those who do not and
- Foster good relations between people who share a relevant protected characteristic and those who do not

The council supports the right of each citizen to a quality of life which is free from violence, discrimination and harassment. The council will take steps to ensure that all citizens, regardless of race, ethnic or national origin, religion, social background, marital status, gender, disability, age or sexuality have full access to its services, taking all possible measures to prevent discrimination in the way its services are delivered.

Parents can help to monitor our success in promoting equality of opportunity for all by providing equalities related information when asked.

## Medical and Health Care

Medical examinations are carried out at various times during a child's primary school years. As parents, you will be given notice of these and encouraged to attend, except for vision and hearing tests and dental examinations. Parents will be told about any recommended action or treatment. All examinations are carried out by NHS Greater Glasgow and Clyde.

Parents should notify the school of any medical requirements or allergies that their child may have. Wherever possible, where a child requires medication, it is better if this is provided outside of school hours. In cases where it is necessary that the child receives medication during school hours, parents should contact the school to make appropriate arrangements. School staff are under no obligation to give medicines to pupils and staff will advise parents of local arrangements. Where appropriate, schools will support parents in helping children and young people learn the life skills which allow them to manage their own healthcare needs.

Minor accidents are dealt with by the school's qualified first aider. If a pupil takes ill or has an

accident at school which requires that they be sent home or for treatment, the school will provide first aid and contact parents or carers. It is very important that the school has up to date contact details for all parents or carers and an additional contact person in case parents or carers can't be reached. This information should be current, and the school notified of any changes. We will not send children home from school unaccompanied.

In the event of a serious illness or accident, a member of staff will accompany the child to a doctor or hospital and parents or carers will be notified immediately.

### **Religious Observance**

Our school is fortunate to have a close link with the local church. The priest assists with the Christianity element of Religious Education and provides opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered.

St John Ogilvie is within the parish of St Mirin's Cathedral. Our school Chaplains are Canon Oliver Freney and Father Jonathan Whitworth.

### **Behaviour and discipline**

We promote a positive attitude to behaviour. Each pupil is expected to stick to an agreed code of conduct, based on our values, which safeguards the wellbeing of each individual in school. We would ask for your support in helping your child to see the need for disciplined behaviour, in and out-with the classroom, for the good of all within our school community.

Keeping school rules will be recognised in class and at school assemblies, as well as being promoted within the school and local community.

Where school rules are not being followed children are given some time on a Friday afternoon to meet with a member of the SMT to reflect on behaviour and impact of behaviour. This time is called reflection time. It is a chance to consider what we could do to work together to ensure that school rules are being followed.

Reflection time is reported to parents through the class diary. Serious breaches of discipline are reported to parents by letter or a phone call, as soon as possible. In turn, we hope that parents will inform the school of any problems or worries which they have concerning their child.

We have a whole school focus against bullying during term 1. The aim of this work is to encourage the children to be respectful to each other and have resilience.

Thankfully, our pupils are generally very supportive of each other and learn/play happily. However, we do not take this for granted. The subject is also covered within the Health and Wellbeing area of the curriculum and in particular we use the PATHS Programme (Promoting Alternative Thinking Strategies).

Children are encouraged to tell staff of any incident which may be considered bullying. All such incidents must be reported to either the Head Teacher or the Depute Head Teacher. These are investigated thoroughly and recorded in line with Council policy.

We appreciate that parents provide their children with several strategies for self-protection. However, with the large number of children in school areas at any given time, the suggestion to hit back must be discouraged.

The use of inappropriate language is unacceptable in our school.

## House System

We operate a House System. Our houses are named after the Continents with each having a colour. All children are allocated a place in each house. Several times a year children are asked to come to school in their house colours.

Africa (Orange), North America (Blue), South America (Green), Antarctica (Purple), Asia (Black), Australia (Yellow), Europe (Red).

## Wet weather arrangements

Children will be kept indoors for breaks in extreme weather conditions only. Please make sure your child comes to school with appropriate outdoor wear and footwear for the weather forecast. The local radio and council website keep parents informed in the event of a disruption to services. In the event of school closures we will contact you by text alert in the first instance.

# Curriculum Matters

## School curriculum

Curriculum for Excellence (CfE) - Scotland's approach to learning and teaching - has been a very positive development in our schools. Scotland's children and young people are now much more confident, resilient and motivated to learn.

The National Improvement Framework, updated in 2018, sets out activity the Scottish Government and partners will take to drive improvement for children and young people.

Crucially, it sets out a clear **vision** for Scottish Education:

- **Excellence through raising attainment:** ensuring that every child achieves the highest standards in literacy and numeracy, set out within Curriculum for Excellence levels, and the right range of skills, qualifications and achievements to allow them to succeed; and
- **Achieving equity:** ensuring every child has the same opportunity to succeed, with a particular focus on closing the poverty-related attainment gap.

Moving forward schools will provide a more coherent, flexible and child-focused curriculum which ensures high-quality, interesting and engaging learning, to raise attainment, close the gap, and give all our young people the best chance of success in life.

## Curriculum for Excellence

### Getting it Right for Every Child (GIRFEC)

Getting it right for every child (GIRFEC) is the national approach in Scotland to improving outcomes and supporting the wellbeing of our children and young people by offering the right help at the right time from the right people. It supports them and their parent(s)/carers to work in partnership with the services that can help them.

All education staff have a statutory responsibility to promote and support the wellbeing of children and young people in their care. There are 8 wellbeing indicators and you can find out more about these here: <https://www.gov.scot/Publications/2016/03/5084/1>

## Additional Support for Learning

### Inclusion

Renfrewshire's inclusive approach affords all children and young people the opportunity to be part of a community, boosting their emotional wellbeing and aiding the development of social skills. This approach is based on the core inclusive value of providing education for children within their own community as much as possible. The child's wellbeing plan is the core planning framework for individual support for each child and young person.

## Support

All children and young people need support to help them learn and develop. The needs of the child or young person should always be central to the identification, planning and provision of support. Support should be appropriate, proportionate and timely.

### Universal support

Universal support starts with the ethos, climate and relationships within every learning environment. It is the responsibility of all practitioners and partners.

An environment which is caring, inclusive, fair and focused on delivering learning to meet individual needs will encourage all children and young people to strive to meet their learning potential.

Personal learning planning is at the heart of supporting learning. The conversations about learning, reviewing progress and planning next steps are central to this process. Planned opportunities for achievement which focus on the learning and progress made through activities across the full range of contexts and settings in which the curriculum is experienced also contribute to the universal aspect of support.

In addition, all children and young people should have frequent and regular opportunities to discuss their learning and development with an adult who knows them well and with whom they have a mutually trusting relationship. This key member of staff has the holistic overview of the child or young person's learning and personal development.

### Targeted support

Children and young people can benefit from additional or targeted support, tailored to their individual circumstances. This could be at any points of their learning journey or throughout the journey.

Barriers to learning may arise from specific learning difficulties, disability, social, emotional or behavioural needs, bereavement or family issues.

Targeted support also encompasses children and young people requiring more choices and more chances to achieve positive, sustained post-school destinations.

This 'targeted' support is usually, but not exclusively, delivered by staff with additional training and expertise. In a secondary school, this support may be coordinated by guidance/pastoral care/pupil support staff through a staged intervention process.

### **Educational Psychology Service**

Educational Psychologists (EPs) support equity, inclusion and attainment and deliver evidence-based intervention to support pupils' wellbeing in Renfrewshire's schools, nurseries and other learning centres.

EPs work with teachers, parents and support staff to help children and young people make the most of their lives and support schools, nurseries and other learning centres to improve and develop supportive healthy learning environments through the Renfrewshire Nurturing Relationships Approach, Mental Health in Schools, Attunement Coaching and Language and Communication-Friendly Environments.

Our school has a system in place for monitoring and reviewing the progress of all children and we have a link educational psychologist who visits on a regular basis and is part of the extended support team. When concerns are raised about a child or young person, the schools takes action to address these concerns and may involve a link EP. Parental permission will always be obtained before we request to involve the link EP.

### **Health and Wellbeing Education**

Learning in health and wellbeing ensures that children and young people develop the knowledge and understanding, skills, capabilities and attributes which they need for positive mental, emotional, social and physical wellbeing now and in the future. Learning through health and wellbeing enables children and young people to:

- make informed decisions in order to improve their mental, emotional, social and physical wellbeing
- experience challenge and enjoyment
- experience positive aspects of healthy living and activity for themselves
- apply their mental, emotional, social and physical skills to pursue a healthy lifestyle
- make a successful move to the next stage of education or work
- establish a pattern of health and wellbeing which will be sustained into adult life, and which will help to promote the health and wellbeing of the next generation of Scottish children and young people
- and, for some, perform at high levels in sport or prepare for careers within the health and leisure industries.

Health and Wellbeing in schools covers:

- Mental, emotional, social and physical wellbeing

- Planning for choices and changes
- Physical education, physical activity and sport
- Food and health
- Substance misuse
- Relationships, sexual health and parenthood.

Health and wellbeing cannot exist in a vacuum. It requires exchange of information, mutual support and collaboration with community partners, schools and parents.

## **Specialist support service – teachers teaching in more than one school**

We have a number of teachers who work in nurseries and schools to provide specialist support to children and young people who have a range of additional support needs. These teachers work with teachers within the nursery or school to plan and deliver an appropriate curriculum. The service also provides staff development and advice on resources.

The teams support the additional needs of:

- children with a significant hearing and or visual impairment;
- children with English as an additional language who are at the early stages of learning English;
- looked after and accommodated children and young people who are experiencing difficulties engaging with school;
- children at early stages of primary school who have a developmental coordination disorder along with attention difficulties;
- young people who attend the Flexible Learning provision; and
- nursery aged children who have been identified as having significant support needs.

## **Homework**

Homework is an integral part of learning and teaching. It provides children and young people with the opportunity to develop self-reliance, self-discipline, self-confidence and be responsible for their own learning. It also strengthens the link between home and school by supporting parents and carers to share in the learning process. Homework can take many forms and will reflect the age, stage and area of learning currently being undertaken by your child. It will be issued on a regular basis and will be varied, meaningful and interesting.

St John Ogilvie school has a homework policy/guidance based on Renfrewshire Council's policy and guidance. You can request a copy of this policy from the school office.

### Developing the Young Workforce

Developing the Young Workforce [Determined to Succeed] is our strategy to develop the business and employability skills in young people.

It lies at the centre of curriculum for excellence and promotes a wide-range of opportunities for our children and young people aged 3-18 to become successful learners, confident individuals, responsible citizens and effective contributors.

The four main areas are:

- Enterprising learning and teaching;
- Entrepreneurial learning;
- Work-based vocational learning; and
- Careers education.

The themes are built around the main areas:

- Supporting the development of skills for life and skills for work;
- Engaging employers;
- Broadening the reach of the programme;
- Embedding enterprise in the curriculum;
- Building capacity; and
- Enhancing our international profile.

Enterprising activities will be organised to reflect the age and interests of our pupils.

The range of activities can include:

- Links and partnerships with businesses, colleges, and schools abroad;
- Fundraising events organised and run by pupils;
- Fairtrade activities;
- Joint school and community initiatives; and
- Work experience placements and speakers.

## Extra Curricular Activities

Our pupils enjoy a wide range of activities throughout the year, during and beyond the school day. The school uses the facilities of Barshaw Park, Seedhill Sports Ground and Paisley Lagoon Leisure Centre, most of which are right on our doorstep. Classes are taken on educational outings to places of interest connected with their class work.

Where possible a residential visit is available for P7 pupils every year. Pupils may also attend appropriate films and cultural activities.

We currently have a singing group available to pupils in P4-7. Please let the school know if you have any skills or talents you could share with the children.

We have set up a school allotment. If you are able to help us or offer advice on gardening, we would be delighted to hear from you.

## Home School Community Links

### Parental Involvement

In order to reflect the level of cooperation between home and school, the Parent Council of St John Ogilvie is called the **Parent Partnership**.

| <b>Committee Members</b> |                   |
|--------------------------|-------------------|
| Chair Person             | Ms Theresa Brogan |
| Vice Chair               | Mr M O'Keefe      |
| Secretary                | Ms H Harkin       |
| Treasurer                | Mrs E Smith       |
| Church Representative    | Mrs M Edgar       |

By law, schools have a duty to promote parents' involvement in their child's education and our school encourages parents to:

- be involved with their child's education and learning;
- be active participants in the life of the school; and
- express their views on school education generally and work in partnership with their child's schools.

Every parent who has a child attending our school is automatically a member of the Parent Forum. As a member of the Parent Forum, each parent can expect to:

- receive information about the school and its activities;
- hear about what partnership with parents means in our school;
- be invited to be involved in ways and times that suit you;
- identify issues you want the parent council to work on with the school;
- be asked your opinion by the parent council on issues relating to the school and the education it provides;
- work in partnership with staff; and
- enjoy taking part in the life of the school in whatever way possible.

The Parent Forum elects a smaller group of parents to form the Parent Council. Parent Councillors may be involved in:

- supporting the work of the school;
- gathering and representing parents' views to the head teacher, education authority and Education Scotland;
- promoting contact between the school, parents, pupils, and the local community;
- fundraising;

- organising events;
- reporting to the parent forum;
- being involved in the appointment of senior promoted staff; and
- providing a representative to the National Parent Forum of Scotland.

Parent council chairs can attend the Parent Council Liaison Group, which gives parent councils an opportunity to speak with elected members and senior managers from the Council about issues relating to education in Renfrewshire. These meetings take place four times a year and details are sent to Parent council chairs at the start of each new academic year.

For more information on parental involvement or to find out about parents as partners in their child's learning, please contact the school or visit the Parentzone website at:

<https://education.gov.scot/parentzone>

<https://www.npfs.org.uk/>

### **Home School Links**

The Home Link Service is one of the services that supports children and families in Renfrewshire. They are a multi-disciplinary team based in different areas across Renfrewshire and linked to school clusters.

The main aim of the service is to increase the educational attainment of children and young people. This is achieved by developing links between home and school to ensure pupils identified through the school's Extended Support Framework as facing issues at home or in school that are barriers to learning are offered additional support.

Support offered to pupils can be given individually or in a group setting. Parents are fully involved, with an initial home visit to discuss the referral and updates on progress reviewed and evaluated on a regular basis.

Support is also offered to pupils who are identified as anxious during times of change, such as moving from nursery to primary, primary to secondary and secondary to further education or employment. These can be stressful times for both pupils and parents and a Home Link Worker can support parents and the school to work together to ensure a smooth transition, and help children and young people learn how to cope with change.

Home Link is a non-statutory service and staff work in partnership with parents or carers, school staff and other agencies, including counselling and support services, health, social work and community learning and development, and other identified local voluntary and government agencies.

### **Pupil Council**

Pupils from P4, P5, P6 and P7 are selected to join the Pupil Council each year. Our Pupil Council represents the concerns and ideas of all pupils. Pupils are also involved through the ECO, Enterprise, Gardening and Fairtrade Committees.

All pupils in our school have a contribution to make regarding learning and playing. We use assemblies, circle time, questionnaires and feedback sessions to gather their views and ideas.

### **Community Links**

We have strong links with our neighbours in Williamsburgh Primary School. Pupils come together at key stages, P1, P4, P6 and P7 to learn together. Our key focus is to deliver a common anti-sectarianism message through our EASI project (East-end Anti-Sectarianism Initiative). This session we have also worked closely with residents from Hanover Court, Paisley, a local sheltered housing community.

### **School Lets**

The sale and/or consumption of alcohol on school premises is prohibited. No applications for occasional licences by the school, Parent Council or other party hiring or using the school premises should be made to allow for the sale of alcohol on school premises.

To apply to use school facilities, contact the Community Facilities Section. Contact details are in the important contacts section at the end of this handbook.

### **Other Useful Information**

#### **Listening to learn - complaints, comments and suggestions**

Renfrewshire Council encourages feedback on its services from parents and pupils as part of our overall commitment to giving the best possible service and to working in partnership. We are interested in feedback of all kinds, whether it be compliments, suggestions or complaints.

If you want to register a comment of any type about the school you can do this by writing, telephoning or making an appointment to see someone. All feedback is welcome and keeps us in touch.

If, in particular, you have a complaint about the school, please let us know. It is better that these things are shared openly and resolved fairly, rather than being allowed to damage the relationship between the family and the school. There will be no negative consequences from making a complaint and we will deal with the issue confidentially. If we have made a mistake, we will apologise quickly and clearly and try to put things right.

There are some things which you should be aware of when making a complaint:

- Complaints about the school should be made first to the head teacher.

- It is helpful if you can give some details of the issue and ask for an early appointment to discuss it.
- We want to resolve complaints as quickly as possible. You will get a decision on your complaint in five working days or less, unless there are exceptional circumstances. If it is going to take longer than five working days, we will let you know.
- If you are not happy with the response to your complaint, you have the right to take it further. You can fill in a complaints form (available from the school or any council office), fill in the online form, write to us, email us at [complaints@renfrewshire.gov.uk](mailto:complaints@renfrewshire.gov.uk), or call us on 0300 300 0170. At this stage, we will carry out an in-depth investigation. We will acknowledge receipt of your complaint within three working days and give you a full response within twenty working days. If the investigation is going to take longer than this, we will contact you to discuss timescales.
- If you are still unhappy after the further investigation and our reply, you can take the matter up with the Scottish Public Services Ombudsman. Our reply will include the contact details.
- You should also note that you have the right to raise unresolved concerns with your local councillor, MSP or MP.

### Data Protection

Information on pupils, parents and guardians is stored on a computer system and may be used for teaching, registration, assessment and other administrative purposes. The information is protected by the EU General Data Protection Requirement and can only be shared or disclosed in accordance with the law.

Pupils attending any type of school have a right of access to their own information. This is known as the right of subject access. When a child cannot act for themselves or the child gives permission, parents will be able to access this information on their behalf.

For more information on data protection, please contact the school.

### Information in Emergencies

We make every effort to maintain a full educational service, but on some occasions, circumstances arise which lead to disruption. Schools may be affected by severe weather, traffic and transport disruption, power failures or fuel shortages. In such cases, we will do all we can to let you know when we are closing and reopening the school or nursery.

We use a variety of methods to keep you updated in emergency situations including: e-mails, our schools digital newsletter, text messages, the school and council websites and Renfrewshire Council's social media channels (Facebook - renfrewshirecouncil and Twitter - @RenCouncilNews).

Further information may also be provided through letters, announcements in the local press, local radio, or notices in local shops, churches and community centres.

Please ensure we have the most up-to-date emergency contact information for your family and you are following the council's social media channels. You can sign up for the school's digital newsletter via [www.renfrewshire.gov.uk/e-alerts](http://www.renfrewshire.gov.uk/e-alerts).

## Websites

You may find the following websites useful.

- <https://education.gov.scot/parentzone/> - parents can find out about everything from school term dates to exam results. This site also offers information for nursery aged children and young people who have left school. It also lists relevant publications for parents and provides hyperlinks to other useful organisations.
- <https://education.gov.scot/what-we-do/inspection-and-review/reports> - parents can access school and local authority inspection reports and find out more about the work of Education Scotland.
- <https://education.gov.scot/parentzone/find-a-school> - parents can find out about individual schools. They can choose a school and select what type of information they need such as Education Scotland reports, exam results, stay on rates and free school meal entitlement.
- <http://www.renfrewshire.gov.uk/> - contains information for parents and information on Renfrewshire schools.
- <http://www.childline.org.uk/Explore/Bullying/Pages/Bullyinginfo.aspx> - contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying.
- <http://www.respectme.org.uk/> - Scotland's anti-bullying service. Contains information for parents and children on varying forms of bullying and provides help for parents and children who are affected by bullying
- <https://education.gov.scot/> - provides information and advice for parents as well as support and resources for education in Scotland
- <http://www.equalityhumanrights.com/> - contains information for everyone on equality laws within the government and local authorities.
