P7 Visits to St Andrew's Academy

Dear Parent or Guardian and P7 Student,

We have been involved in transition activities with the P7 students for quite some time now and we have further activities planned.

Some of these include:

- Subject lessons from departments that P7 students can work in with their P7 teachers
- A digital S1 Assembly on Monday 14 June at 9.15am where P7 students can join with their P7 teacher
- An S1 2021 Team page has been created on Microsoft Teams and all students will be added to this.
- S1 class lists and timetables for August will be posted on this team.
- S1 class lists will be emailed to all P7 students before the end of term
- Updating the Transition Twitter at [@acad_7](https://twitter.com/acad_7)

However, I know how much it will mean for P7 students to get a chance to visit the school and I am pleased that we have been able to organise this whilst still following covid mitigation guidance.

In high school also students, unless medically exempt, wear a facecovering and we will be asking P7 students to do the same.

P7 students will come to the school (mostly by bus) for about 1.45pm. They will be welcomed by a member of the Senior Management Team and be taken on a tour of the school before returning to primary school at 2.45pm. They will have the opportunity to ask questions about high school and start to familiarise themselves with the building.

We need to preserve the primary school groupings so students cannot attend in their new S1 classes. When there are 2 primary schools visiting, the students will be kept separate from each other.

The dates for schools to visit are below:

Tuesday 15th St John Ogilvie

I look forward to meeting many of you when you visit St Andrew's.

Kind regards,

Kevin Henry
