Dear Parent/Carer,

P6 Seesaw Consent

As you may be aware, your child will be a buddy for a new Primary 1 pupil next session. As part of the transition programme for our new Primary 1 pupils, your child has written a letter to their buddy. We would also like your child to post a short video introducing themselves to their buddy via our Seesaw app. This video would be posted on the Seesaw Account of their buddy. In order to do this we require your consent and ask that you complete the consent form below and return this by **Monday 21st June**.

P6 Food Tasting Consent

Primary 6 have been working with Rethink Food this term and have successfully grown lettuce, chard, basil and rocket in their growing tower. Next week they plan to harvest the growing tower and taste what they have grown. Could we ask you to complete the form below to indicate whether your child is able to participate in the food tasting activity and return this no later than **Monday 21st June**.

If you have any questions regarding this information, please do not hesitate to contact me at the school.

Yours,

Nicola Heath
Depute Head Teacher
