## **Primary 7 – Class of 2021**

As the school year draws to a close I would like to take this opportunity to wish our Primary 7 all the very best as they prepare to make their transition to High School. We have had a very busy and exciting month celebrating their achievements and talents. Thank you to all the staff and the Parent Partnership who helped make these events such a huge success. We also wish parents and carers of Primary 7 children who are moving on all the very best for the future, we thank you for your support and kindness over the years.

## **Parent Partnership**

A big thank you to Theresa Brogan and our Parent Partnership for all their hard work and support this session. In what has been a very different year they have still managed to support the school community in various ways. We cannot wait to continue to use the 10 iPads that came from Parent Partnership fundraising! We have also benefited from the purchase of various school subscriptions to support literacy and numeracy. A very fond farewell to several members of the Parent Partnership who are finishing in the school this session. I would like to take this opportunity to thank each and every one of them for all their support and enthusiasm over the years. We will miss you but wish you all the very best for the future.
