Dear Parent/Carer of Primary 7

COP26/Renfrewshire Library Service Activity

As part of COP26 activities taking place, Primary 7 have been invited to work with the Renfrewshire Library Service on Friday 1st October in St Andrew's Academy. The children will leave St John Ogilvie at 9.05am and walk to St Andrew's Academy where they will visit the library, explore the books and watch an author video with a focus on climate change/non-fiction/graphical representation. The children will walk back to St John Ogilvie at 11.35am in time for lunch. They can take a small snack in their pockets for break time if they wish

Children should wear full school uniform (shirt and tie) and have a warm/waterproof jacket. Children will sanitise/wash their hands on arrival and on returning to school. This trip is covered by the local area consent completed at the start of the year.

On return to school the children will create a Digital Sway and a Poster highlighting Climate Change. The posters will then be passed to St Andrew's Academy who will judge the posters received from across the St Andrew's Academy Cluster. Good Luck everyone!

Lorna Murray
