**Head Teacher: Miss L Murray**

**Head of Education/Interim Chief Education Officer: Mrs Julie Calder**

28<sup>th</sup> August 2023

Dear Parents/Carers

Unfortunately, for health reasons, Mrs Heath is required to take some time off work with immediate effect. Please read below a message from Mrs Heath.

### *A message from Mrs Heath*

*I am truly saddened that I will not be Depute Head Teacher in St. John Ogilvie for the foreseeable future. Unfortunately, I have a health issue and I have to undergo treatment. I am trying to be positive and ask for your thoughts and prayers at this time.*

*I have a very supportive family including my four girls and so I hope to be able to be out and about with them when I feel well enough to do so. Therefore, you may see me out with my family and as always, I will want to say hello.*

*I am very much missing the children and I have been keeping in touch with Miss Murray and the staff.*

*The children have not been included in this letter but as parents/carers you can let them know. Miss Murray will speak with the children at assembly to let them know that I am going to be absent from work.*

***Nicola Heath***

*Depute Head Teacher*

---

As a school community we are very much missing Mrs Heath she is a very special member of our school. In the interim Mrs Watt will cover the role of Acting Depute Head Teacher. Miss MacNeil will support her in this role by taking responsibility for Religious Education across the school.

Please can I ask that you keep Mrs Heath and her family in your prayers at this time.

Yours,

A handwritten signature in purple ink that reads "Lorna Murray".

Lorna Murray  
Head Teacher
