Dear Parent/Carer,

World of Work (WOW) Week

As part of developing our pupils' skills as enterprising individuals, St John Ogilvie Primary School is seeking visits from local businesses to inspire our pupils. Our World of Work week aims to:

- Provide information about different careers
- Raise children's awareness of the necessary skills for life, learning and work
- Give our pupils the opportunity to ask questions
- Encourage pupils to consider their future aspirations
- Knowledge of what an employer values

We want to provide our pupils with the opportunity to talk to people from all jobs and professions so that they can find out more about the possibilities on offer. If you would be willing to come along to share information about your job during the week beginning 30th October to 3rd November it would be much appreciated. The talk would involve a description of your role (approx 20 -30 minutes) to an audience of between 23-33 pupils.

If you are able to support us in any way, please return the slip below or alternatively contact stjohnogilvieenquiries@renfrewshire.gov.uk

Yours,
