

St Paul's Primary Council

Meeting Minutes - 2nd October 2019

Present:- Mrs Maher, Mrs Gavin, Mary Sloan, Karen Hallan, Leeanne Nelson, Jen Mulholland, Louise Allan, Yvonne Moohan, Karen Copland

- Previous minutes - Nothing from previous meeting
- Accounts update - Nothing in account at present, £1500 given to school towards cost of this years panto. It has been suggested that the council enquire into the possibility of moving the bank account to somewhere with more benefits/accessibility as the current bank account doesn't offer this due to it's age.
- Head Teacher update - Standards & Quality Report will be available next week and can be accessed via the school website (or office should a paper copy be required). Absence and late coming - the importance of good attendance due to the increase of families taking holidays etc during term times. Parental Engagement - hoping that this may continue to grow, and how to develop further parental support.
- Cash for Kids - Due to the nature of the competition then matters discussed regarding Cash for Kids can not be minuted. Competition ends at 12 noon on Thursday 10th October (commenced Friday 13th September 2019). Winner announced on Friday 25th October at presentation at Clyde 1. Relevant information can be released at this time.
- A.O.B. - Top gate. Due to the volume of non school traffic and the presence of dogs in and around the school, it was suggested that the top gate on Gryffe Crescent be closed to discourage people using school as a shortcut. Mrs Maher had said that she would make enquiries with Renfrewshire Council to find out if this was a feasible option. Mrs Maher reports back that this was given the go ahead and had been detailed in the newsletter.
- No other business.
- Next meeting Wednesday 6th November 2019.
