HEAD TEACHER: LOUISE A MAHER

Dear Parent / Carer

I am delighted to be able to invite our Primary 7 children back into school for a transition activity before they all head off to the exciting new adventure of high school. We will be adhering to Scottish Government guidance therefore following strict social distancing of 2 metres to keep everyone safe. Please discuss this with your child before they come.

Children will be arriving and leaving following a staggered entry and exit system. You will receive an email telling you what time to drop your child and collect them. Staff will be present in the playground as pupils arrive to welcome and escort them into the building. If collecting your child at the end of the session, please ensure only one adult attends & stands at least two metres away from all other adults waiting. Children should be dropped off and collected at the entrance at Morar Drive. Staff will escort all children outside at the end of the session to be collected. Please note the car park is now for staff use only.

Parents may not enter the building for any reason.

We would ask that parents refer to current advice, in relation to individuals who are shielding or have any underlying health conditions, which would prevent pupils attending this visit.

Despite these safety measures we will make the afternoon as memorable as we can. We will be planning for Tuesday 23rd June 1.15pm-3.15pm. Children may wear their own clothes on this day.

As always, thank you most sincerely for your continued support over the years and especially in recent months. I look forward to welcoming your children on the day and wish them the very best for their next chapter of high school.

Kind Regards

Louise A Maher
HEAD TEACHER
