HEAD TEACHER: LOUISE A MAHER

Dear Parent / Carer,

As we approach the end of this unbelievably difficult year, I wanted to send my thanks and gratitude to you and your families. This has been a year like no other and we have all had to adapt to ways of living and working. There have been many changes in school, I hope you have found them to be useful in keeping us all safe and we will work to continue to communicate regularly in January.

We hope we have supported you well as we have worked hard to ensure the children are safe in school are continuing in their learning journey. The children have been very adaptable to our new normal and we are so proud of the way they have responded to keep everyone safe.

I am not going to lie, we are all looking forward to the Christmas break. However, we all came into this profession and chose to work in schools because we wanted to make a difference to the lives of the children in our community. As a staff we cannot thank the Parent Council and wider parent body enough for your kind words of thanks. During lockdown a video was produced with lots of children that we had not seen in months, sending us good wishes, this brought many tears of joy to us all. This week we have received a delicious cream tea along with many words of thanks from you. Again, the staff have found this very emotional and your gesture is greatly appreciated.

Children will finish on Friday at 2.15 / 2.30 / 2.45.

Please stay safe, follow the Scottish Government guidance and we look forward to seeing you when we all return on 6th January with usual staggered entry times in place. We hope the year ahead will be a healthier and happier one for us all.

Kind Regards

Louise A Maher
