Dear Parent/Carer,

INSTRUMENTAL MUSIC TUITION

Our **music** teacher, Mark Traynor, will soon begin the process of selecting pupils for inclusion on the school instrumental music programme. Your child has had an initial presentation from the instrumental music service about what instruments are available to learn. If your child wishes to be involved in the next part of the process, the instrumental music teacher will carry out an informal musical aptitude and physical suitability assessment.

Learning a musical instrument is open to pupils from **primary 5** (strings only), **primary 6** or **S1** at high school (*depending on staff availability and resources*) however, this will vary from school to school. As demand for instrumental lessons typically exceeds availability, it may not be possible to offer every pupil an instrument. If your child is successful, you will be informed by letter. However, if your child is unsuccessful, their name may be placed on a waiting list and should a place become available later in the academic year, they may get the opportunity to be included on the instrumental music programme (*depending on staff availability and resources*).

For further information about instrumental music provision in Renfrewshire, please visit the Council website using the link or QR code below:

If you would **NOT** like your child to be included in the process, please complete and return the tear-off slip below to your child's class teacher by **6th November 2020**.

Please do not hesitate to contact me if you wish further information.

Yours sincerely,

Mark Traynor
