A Message from Fr. Andrew

Hello everyone

I'm Fr. Andrew from St Peter's Church, I hope you are all safe and well.

We are now in Lent a time when we try even harder to be good, when we try to get to know God even better. This year you have learned so many important things including caring for others by doing the right things, keeping in touch and washing your hands.

One of the most important things we can do is to pray, and I would ask that this Lent could you say an extra prayer for your school and all the children throughout the world who are going through this year with you.

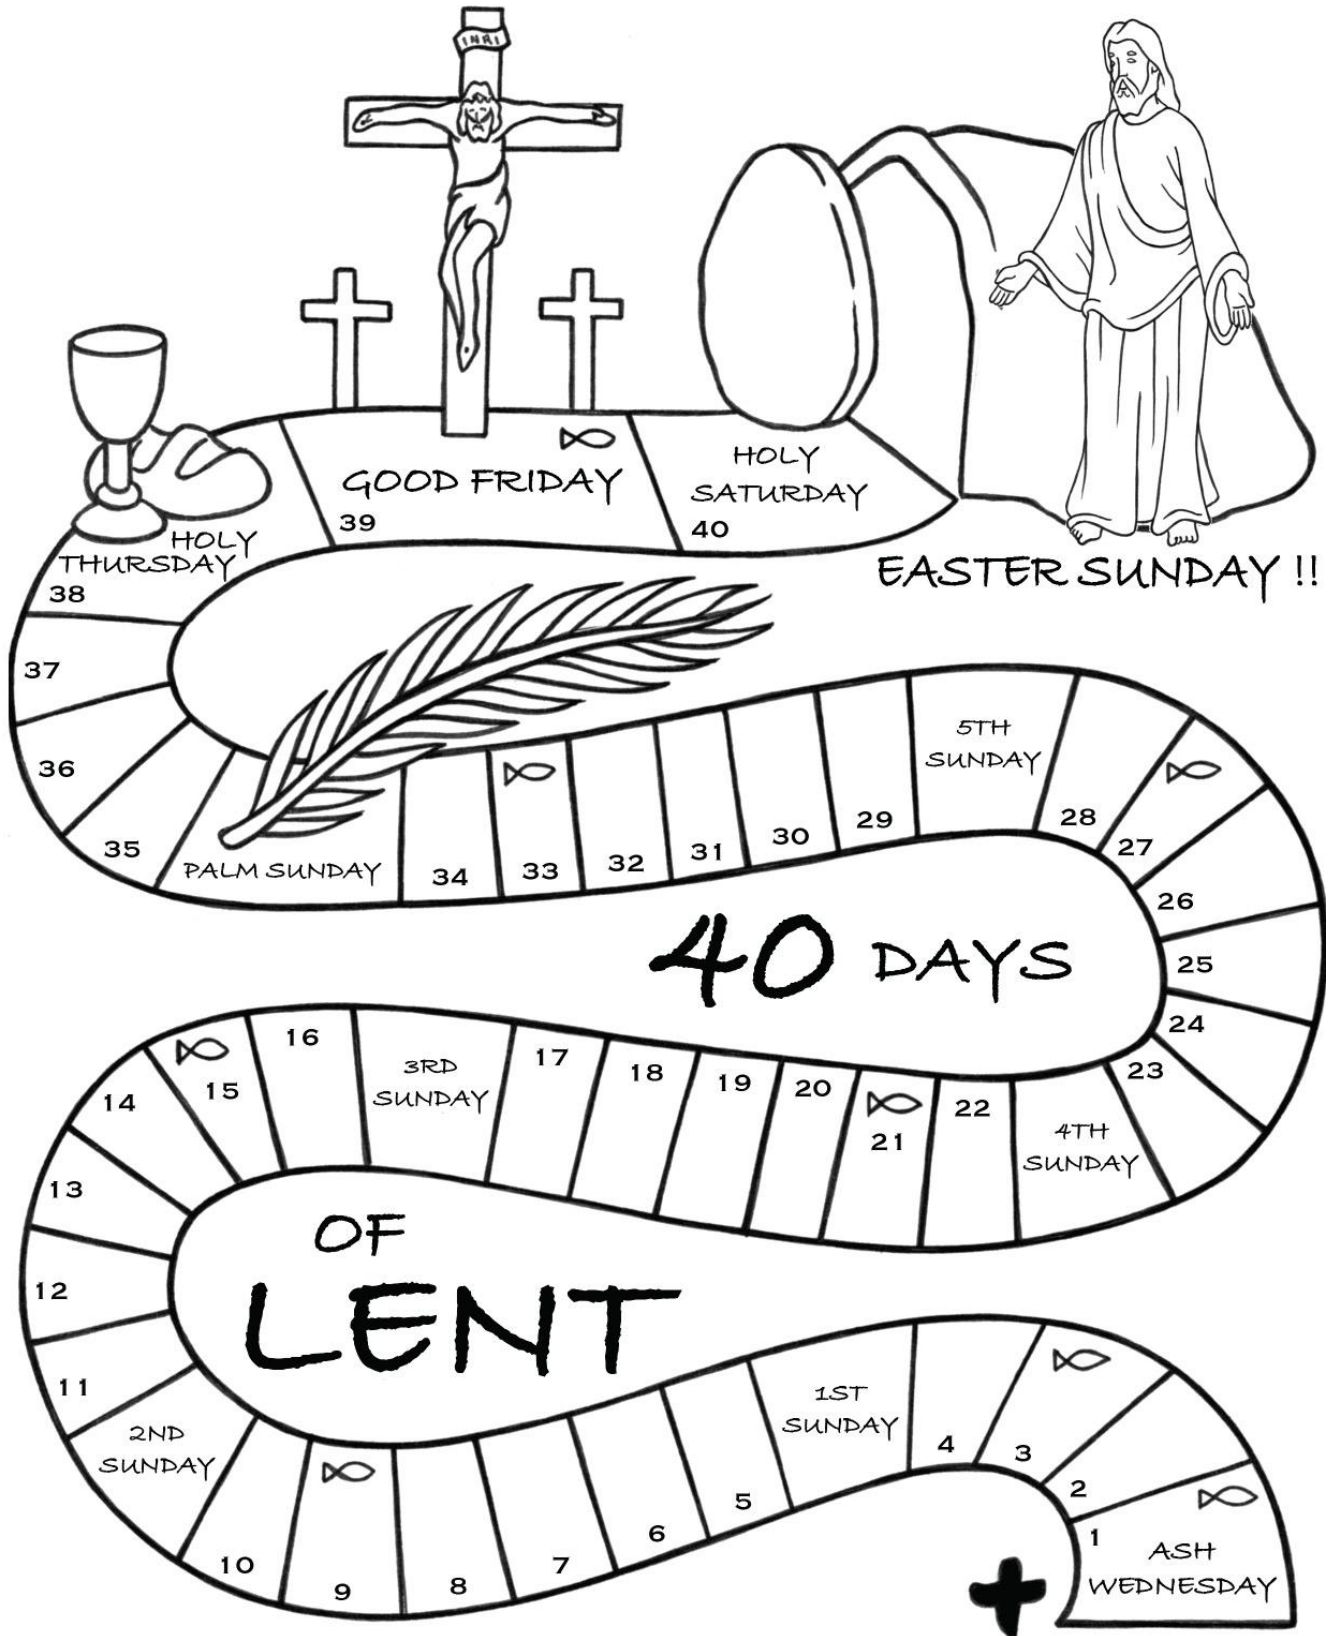

God Bless you and your families

Fr. Andrew

Lenten Calendar

As we prepare for Easter, take time each day to say a prayer and colour a square on the Lenten Calendar.

Ash Wednesday

Ash Wednesday is the first day of Lent.

The priest makes a sign of the cross on your head with the ashes and we remember what happened to Jesus and how kind He is.

What can you do to get closer to God during Lent?
Write or draw your Lenten promise below.
