19th April 2020

Dear Parents/Carers,

Children in Primary 5, 6 and 7 have the opportunity to participate in 'Bikeability' cycling lessons this term. If you wish your child to participate, they must bring their bike and helmet to school on Friday 30th April for an initial bike check. If any faults are discovered you will be notified and asked to ensure repairs are carried out before your child's first cycling lesson. The link below explains the check that will be carried out on your child's bike.

All training will take place in the school playground for Primary 5 and Primary 6. Primary 5 children will be starting 'Bikeability Scotland' Level 1 training. Primary 6 will be completing 'Bikeability Scotland' Level 1 lessons and Primary 7 will begin 'Bikeability Scotland' Level 2. Primary 7 children will complete 4 lessons on the road directly outside St Peter's Primary School. They will be accompanied by their class teacher, classroom assistant and Renfrewshire's Bikeability Coordinator, Craig Daziel.

Please see the list below outlining the dates when your child will require to bring their bike and helmet to school. Please note that due to restrictions currently in place, no child will be allowed to share a bike or a helmet. We have a small number of bikes which can be borrowed but cannot be shared. If your child does not have a bike but can bring a helmet to school, please let us know and we will see if we can provide a suitable bike for them. If you do not wish your child to participate, please contact the school office by Thursday 29th April.
