

Improving our Playground

We need your help!

Dear Parents/Carers,

We are looking to make further improvements to our playground.

To do this we are looking for the following materials.

Compost

Bark Chippings

Gravel

Sand

Decking boards

Large Planters

Tarpaulin Sheets

Plants

If you have a contact and would be able to arrange donation or a reduced price on any of these items, please contact Mrs McLean by leaving a message at the school office or emailing

gw15mcleancatherinem@glow.sch.uk

We are also looking for donations of small world toys such as dinosaurs, fairies, toy cars, diggers and dumper trucks and small figures. If you are clearing out toys, we would be delighted to receive any donations of used toys for these play areas.

Thanks,

Catherine McLean (Acting PT)
