Welcome Mass & Quiz

Thank you to everyone who came along to this. Please enjoy some of the photographs at the end of this blog.

Senior Phase & SQA Information Event

This will take place in the school on Thursday 7th September (7pm). It is open to all year groups and is an opportunity to hear about the various pathways / courses on offer. We will also welcome some of our partner agencies such as West College Scotland and Tigers to discuss College options (in and out of school) and Foundation Apprenticeships.

This event is part of a series of workshops which include the upcoming Study Skills Evening and Careers Pathway Event. We look forward to welcoming you at each of these events.

Year Group Updates

Each parent and carer will receive a letter from their child's Year Head today (1st September). This contains an update with information for the specific year group. If you require any further information please do not hesitate to contact the school.

As part of the update I would like to inform you that Mr McEwan will take up responsibility for Head of Year for S3 and S4. Ms. Monaghan will be out of school for a short period of time and will resume year responsibilities upon her return.

School Improvement Plan

I am delighted to share with you our School Improvement Plan for this academic session. This is the third year, and final year, of the current improvement cycle. Hopefully you will be able to identify areas of the plan that have already been implemented and see how we are all working together to take forward our priorities. I look forward to sharing with you our Standards and Quality Report for last session; this will be published towards the end of September. The plan can be accessed by clicking on the link below:
