Planned Industrial Action

Dear Parent / Carer,

I am writing to provide an update with regards to the upcoming Planned Industrial Action. During the period of industrial action, the school will be closed to pupils and staff on the following dates:

Tuesday 26th September

Wednesday 27th September

Thursday 28th September

Since being notified of this action we have been putting measures in place to support pupils with their learning whilst at home. Teaching staff in each subject will direct pupils to appropriate materials that they can access at home. This may be on platforms such as Satchel One or Microsoft Teams with some departments also issuing paper copies of work to complete. Over the course of this week pupils have been asked to check that they know their glow login details and to notify us of any potential issues with ICT at home. **If you are aware of any potential ICT issues or concerns, please contact the school directly and before the September Weekend.**

Pastoral Support Staff will continue to liaise with pupils and families that they have been working with recently; this will be in the form of telephone calls throughout the three days of industrial action. If you need to contact the school for any reason during this period, please do not hesitate to email trinityhighenquiries@renfrewshire.gov.uk and someone will get back to you. Please note the telephone switchboard will not be operating during the dates listed above.

Yours faithfully

P. Marshall
Headteacher
