

e-Sgoil is a national e-learning service which focuses on live, interactive, online learning. The e-Sgoil team have shared the following information on resources available to learners and teachers in the event of any disruption in schools affecting either individual classes, whole years groups or the entire school.

**Link:** [What is available from e-Sgoil for learners?](#)

The [National eLearning Offer \(NeLO\) Search Tool](#) also gives access to wide range of supported and recorded resources.

Previous guidance on remote learning can be found on the [Education Scotland website](#).
