

For your **S1 Religious Education** class...We are going on an **Adventure!**

Here are some of the **Highlights** of our **Journey**:

**KEEP
CALM
AND
STUDY
FOR RMPS**

THIS IS
RMPS!

LEARNING
RMPS

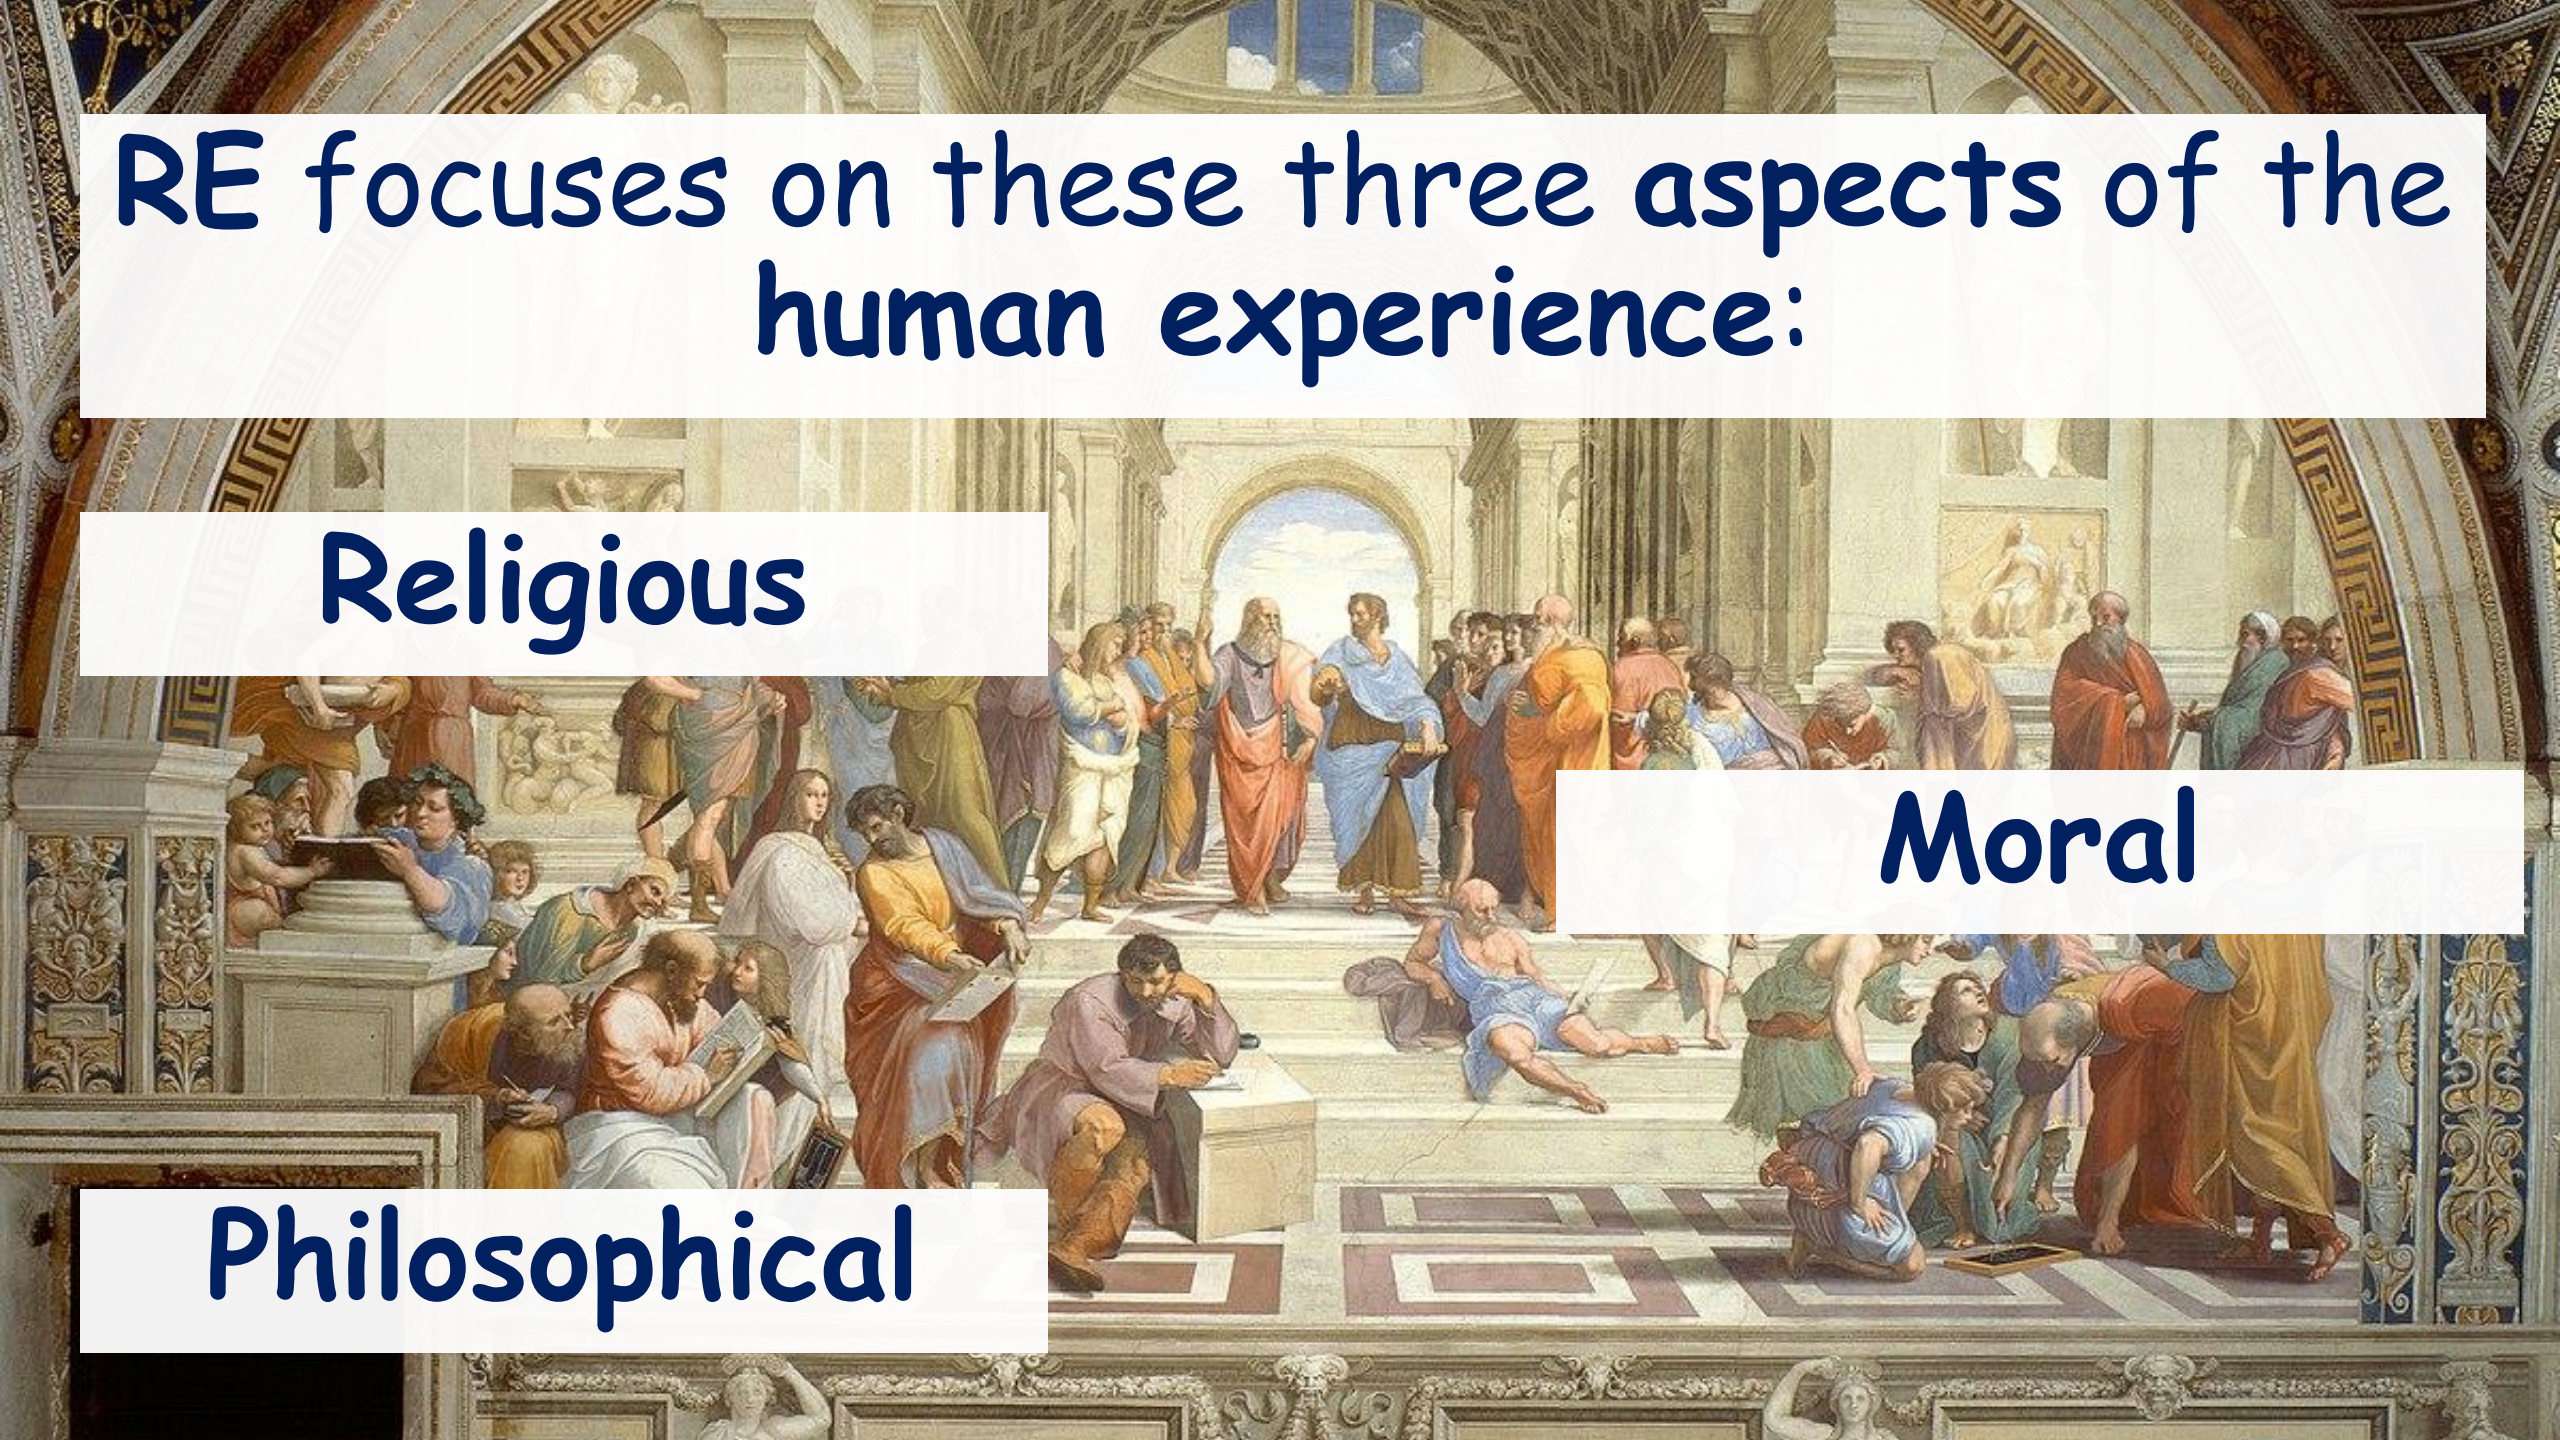

Here are some of the key skills which pupils will develop during their Religious Education course.

RE focuses on these three aspects of the human experience:

Religious

Moral

Philosophical

Pupils will be studying
World Religions

Religious

Pupils will be studying
Human Relationships

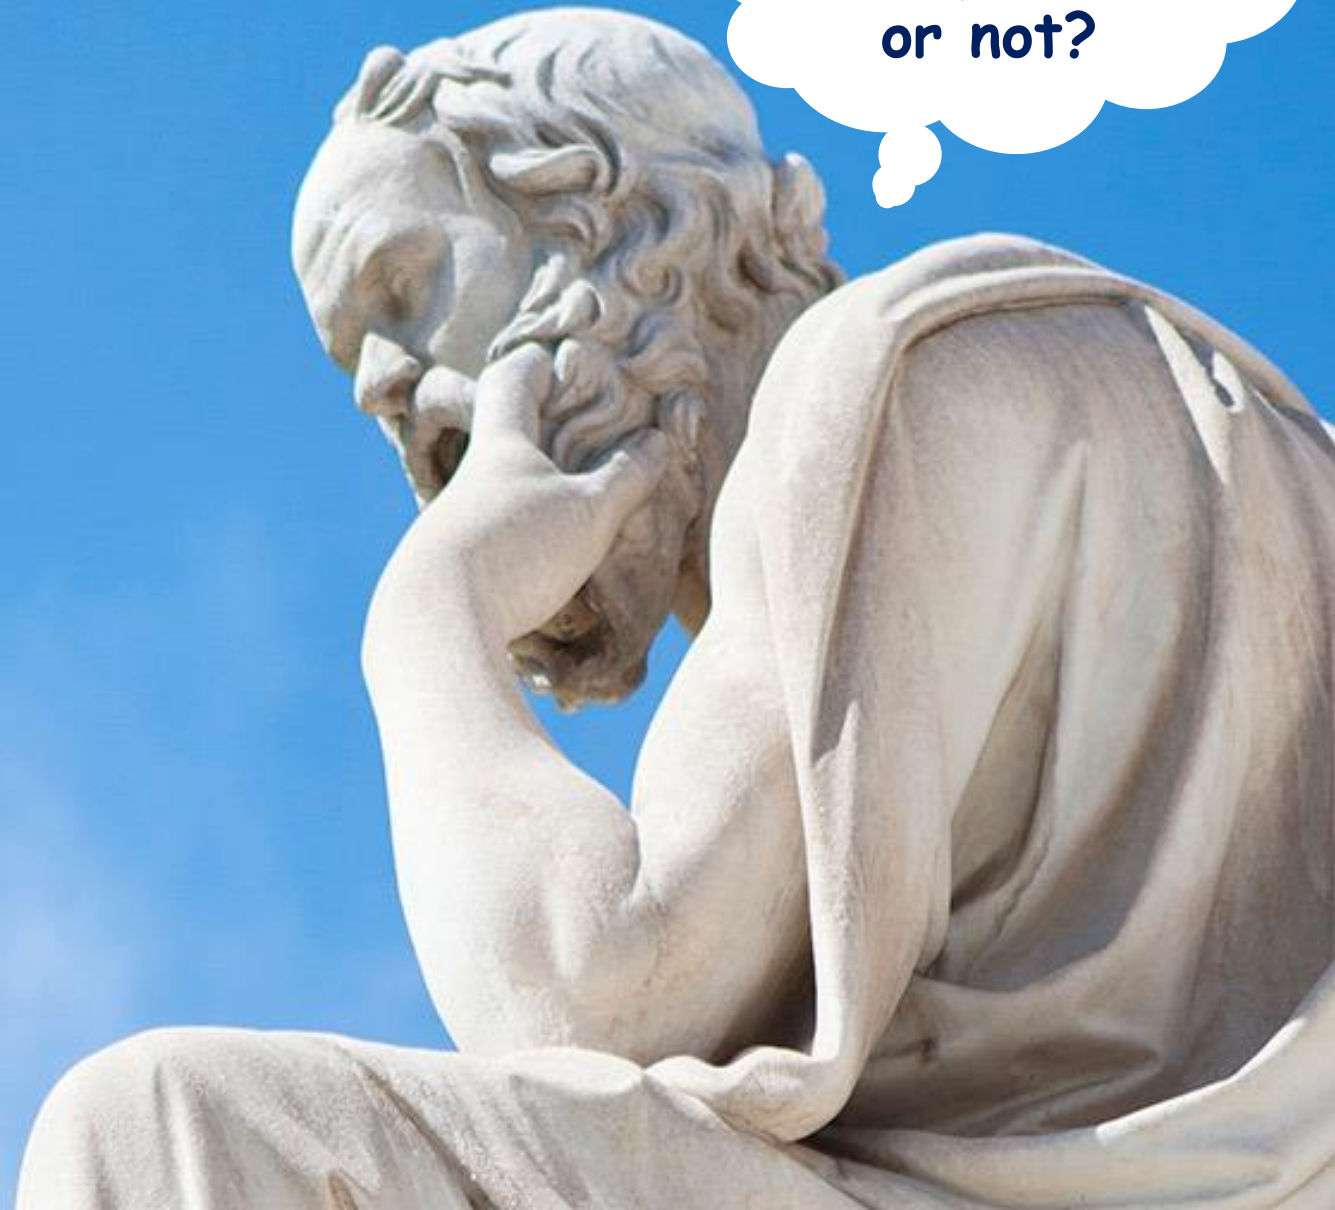

Moral

Pupils will be
studying
**Philosophical
Questions**

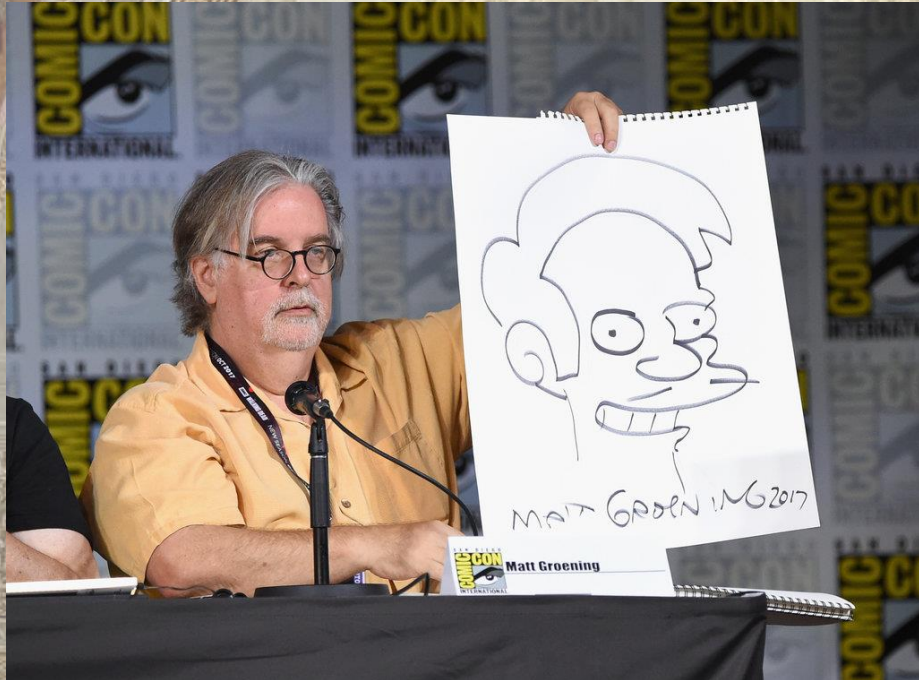

Philosophical

Does God
really exist
or not?

Here are some examples of RE graduates

**Matt Groening -
Creator of The
Simpsons and Futurama**

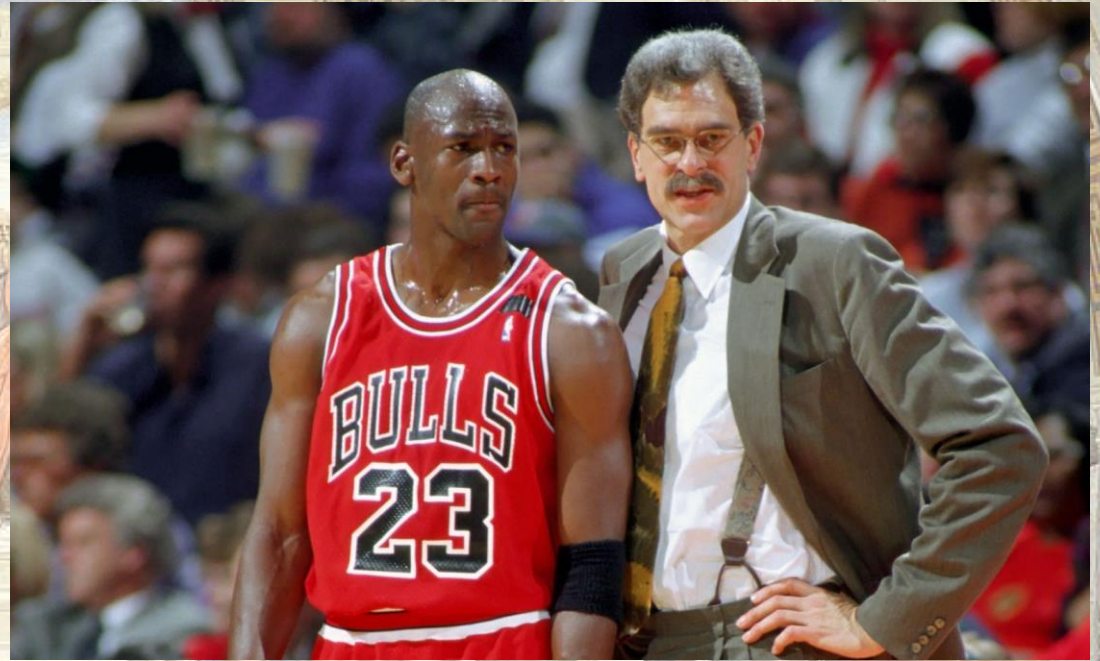

**Martin Luther King -
Human Rights Activist**

Here are some examples of RE graduates

**Ricky Gervais -
Comedian, Actor,
Producer**

**Phil Jackson -
Basketball Coach**

But there will also be a lot **more to discover** in our **RE course**, which is **deeply rooted** in our **Core Values...**

THS Core Value: Respect

Respect means showing regard for the feelings, wishes and rights of others.

In RE we experience Respect by learning about different World Religions and visiting their places of worship.

THS Core Value: Community

Community means a group of people who work closely together with shared interests.

In RE we experience the value of Community by being involved whole school and diocesan initiatives. By working together with other people, we discover we are part of larger community.

THS Core Value: Equality

Equality means making sure everyone is treated fairly and given the same opportunities, with dignity and respect.

In RE we demonstrate Equality by treating each other in a fair way and by helping others through our charity work.

THS Core Value: Achieving

Achieving means doing your best and reaching your goals.

In RE we Achieve by taking part in extra-curricular clubs. In these clubs we work together to make a difference to the local and global community.

Our Faith Life

In THS Faith underpins all our Core Values

Mysterious
Tuesday Club

Fairtrade
Club

Oratory
Visits

Mass

In our special journey we will discover this,

and so much more
besides...

... And we will have some unique **companions** to
guide us along the way:

You will understand how RE can make you more aware of your rights as a child.

In RE you will understand the importance of respecting other people and of preventing violence in all cases.

In RE you will learn how to make a difference in the world and how to change it for the better (particularly in regard to safeguarding all creatures of God)

Mrs McKillop and I are looking forward to embarking on this journey together and to visiting some amazing places...

See you all very soon in the RE Department!
