Dear Parent / Carer,

We are delighted to welcome a professional Pantomime Company to the school this year for S1 on Monday 18th December. In previous correspondence we had intimated that there would be a cost associated with this event.

The English Department have reviewed this event and the costs associated with it; we would like for all pupils in S1 to experience the pantomime in the school. Therefore, we have taken the decision to make the event **free of charge for all S1 Pupils.** If you have already paid for this, we will arrange a refund through ParentPay.

There will be a charity bucket at the hall as pupils enter for the show; if they wish to contribute to this it will be included in our Advent Charity Appeal total.

On the day of the Pantomime there will be a cash tuckshop should pupils wish to buy a treat for the performance.

We hope every pupil in First Year enjoy this experience as we continue our Christmas Celebrations.

Yours faithfully

P. Marshall
Head Teacher
