

School Ties

We are looking for further support with our stock of school ties. A large number of ties have been borrowed and not returned. Can you please if you have any spare ties at home and return these to the school office.

We will also accept donations of any uniform (ties, blazers etc. which may be of use in our uniform exchange)

Blazer Fitting

One of our uniform suppliers will be visited the school on Tuesday 4th June to measure pupils who wish to purchase a blazer for next session.

Details of how to book a slot at this will be issued soon.

National Digital Academy

Education Scotland is exploring what a National Digital Academy might look like

It's really important that the voices and needs of young people are considered as part of this work.

They want to hear from young people in S3-S6 about:

- how they choose their subjects
- any occasions where they haven't been able to take a subject
- the ways they currently access support with their studies

Handball

Well done to everyone who took part in our Inter-House Handball Competition. It has been pleasing to see so many young people take up the sport over the last few weeks; including teams from Trinity representing Renfrewshire at the National Championships

Basketball

The school 3x3 Basketball competition took place this week. The winners of this tournament will represent Trinity in the upcoming Renfrewshire games. Well done to all!

Duke of Edinburgh Award

This Award is going from strength to strength in the school. Pupils and staff attended the Renfrewshire Awards Ceremony this week and we will have an in school celebration soon. Well done everyone!

Philosophy at UofG!

Over the course of two visits almost 40 young people have got to experience first hand what studying philosophy at the University of Glasgow would feel like. Students also got a tour of the University grounds and visit the impressive cloisters and Bute Hall!
